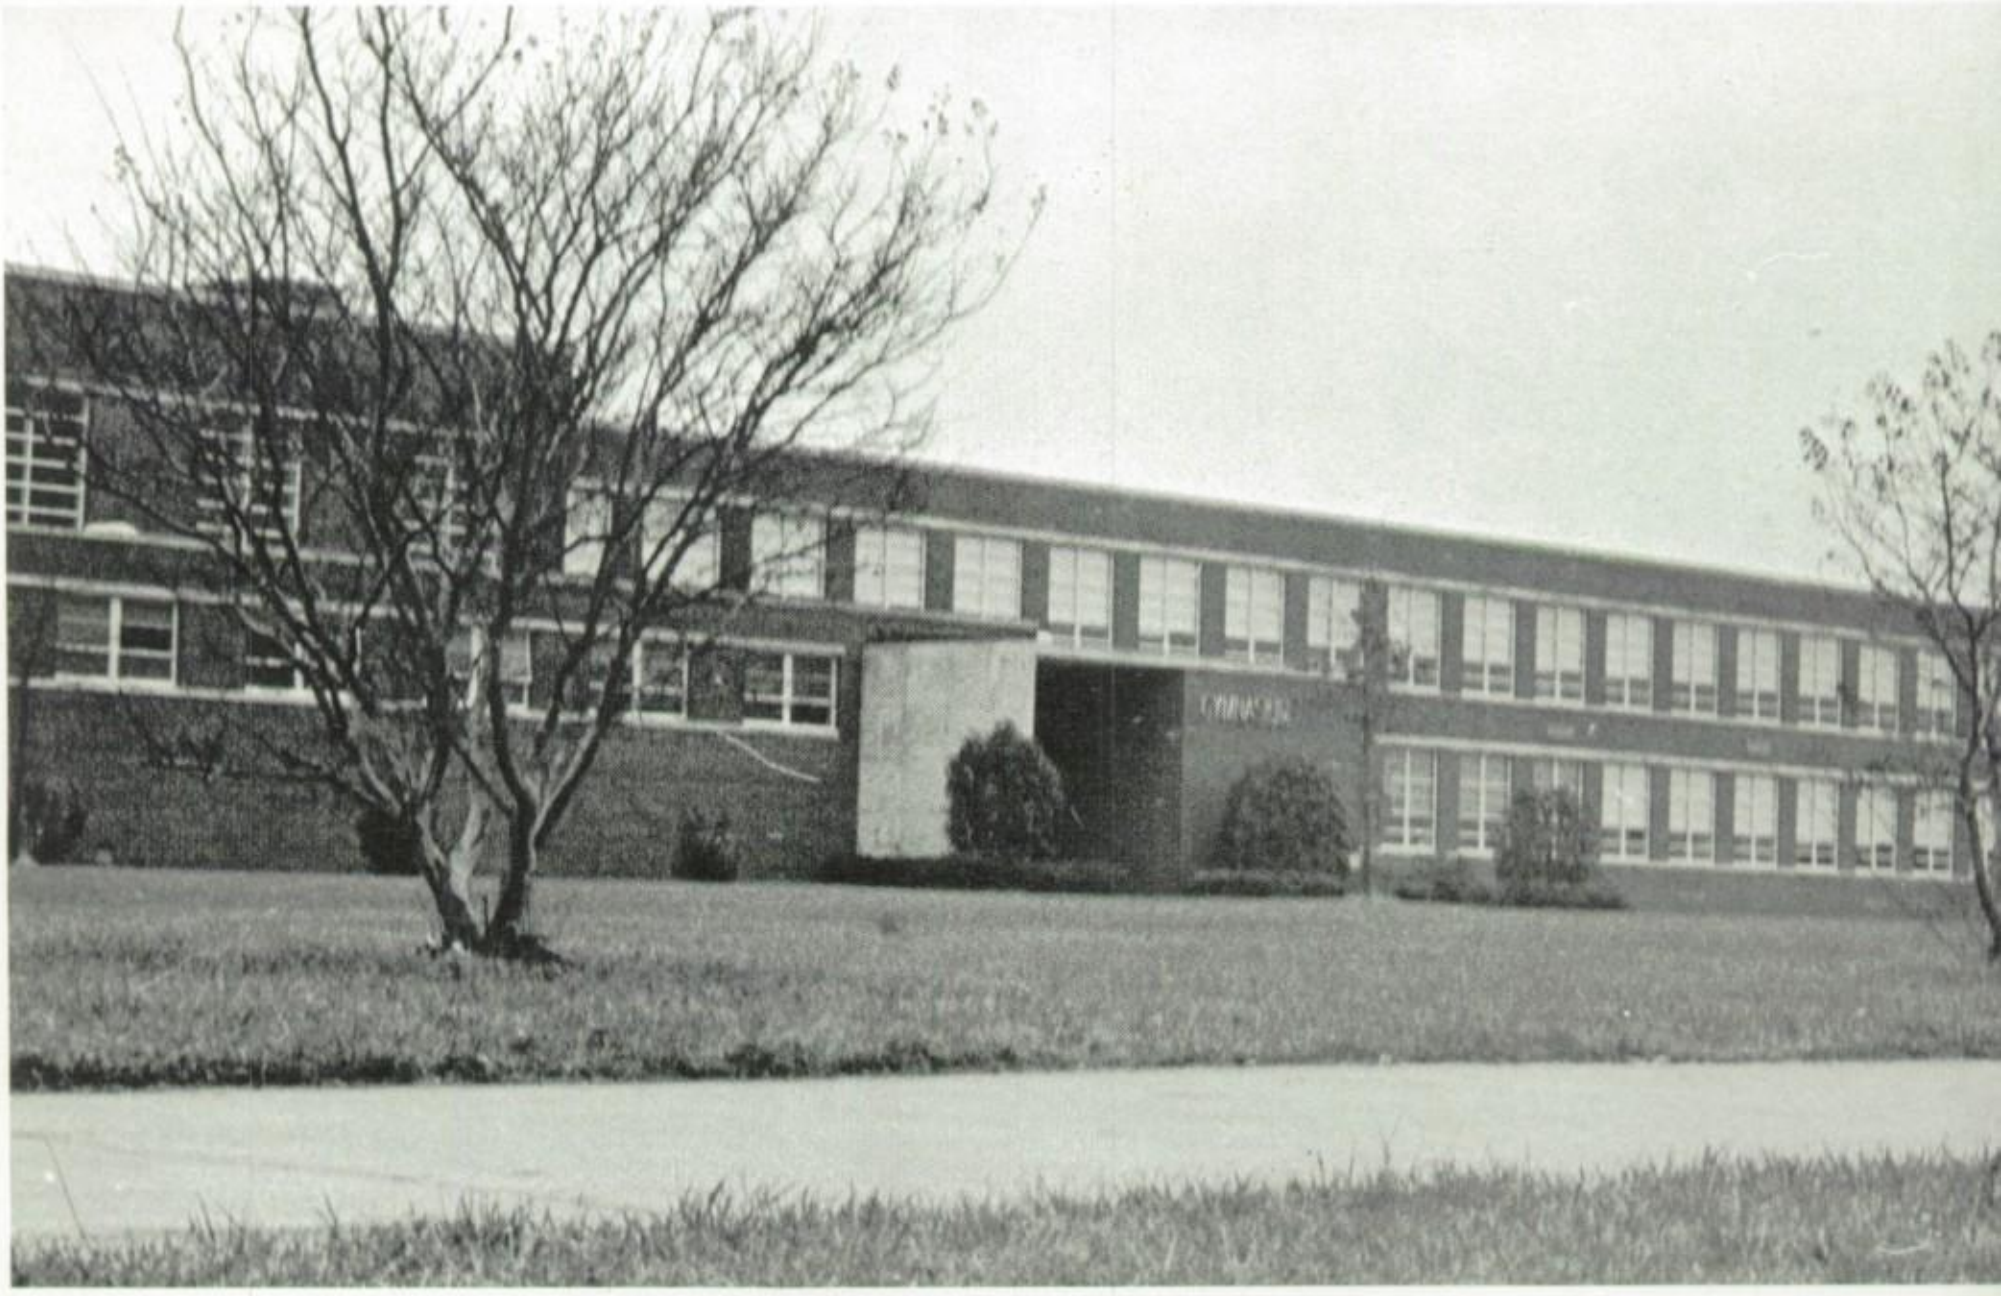
TRUCKER, Students Present Expressions Of Thanks With

Different? Yes, it's certainly that. Unusual? Yes, it's that, too. Interesting? Naturally, for it's about us! Format? Why, it's the mosaic style. The theme? Surely anybody can see that EXPRESSIONS is that! Did you say EXPRESSIONS? Yes, like on the faces of people. EXPRESSIONS? You know, those long, solemn, happy, giggly, sad, tired things you pass in the hall dozens of times each day! You know, your acquaintances, friends—enemies, too! But what is it? Everybody knows that it's **The 1966 Trucker**—the best one ever, naturally. But what about the size of the book? Well, anyone can see that it's not last year's size; it's larger. The cover? Three colors. Gorgeous, to say the



'66 Dedication To Mrs. Hall

least, isn't it? And the dedication? Oh, that's easy. Mrs. Joan Hall—she's tops. But, why? Gracious, everybody knows that! Besides teaching all her students how to operate a typewriter, you can always find her advising those puzzled freshmen on class schedules. Gosh, she sure does stay busy, doesn't she? And how! You should see all the time she has to spend each week as SCA sponsor and advisor to the Pep Club. And if that isn't enough, she's always seen at all football and basketball games! Man, is she ever a real live wire! Well, it's easy to see why the Senior Class dedicated **The 1966 Trucker** to Mrs. Hall. She's not only a good teacher, but a full-fledged Trucker, too.

STUDENT LIFE

Fresh, Spirited Optimism Accompanies September

Freshmen darted perplexed looks and questions at Sophomores, who answered with confidence. Juniors smiled sympathetically at underclassmen, while Seniors "rightly" looked down on all classes for the first time. September 7, 1965 ushered in the year with these moods and expressions. What other reflections would 1965-1966 bring to make it uniquely enjoyable, somber, rewarding?

First month = teasing Frosh, finding Mrs. Davis or Mr. Niemeyer printed on your schedule card, forgetting $1.50 for insurance, the book room, "what is the common name for $MgSO_4$?," battling the lunch line for liver and onions, obtaining a long-awaited ring. At the end of the six weeks came first report cards, a permanent record of work well-done, or of work needing improvement maybe? We sheepishly agree, then procrastinate until exams.

"OH, BUT MRS. JACKSON! What are my parents going to say?!"

AUDREY KUHL IS in a pose familiar to every Trucker.

"OKAY, Y'ALL!" says Alice Eure. "The first annual meeting of Halloween Harpies will now come to order . . ."

PATTY WOOD JUST CROWNED Harvest Queen for 1965, beams at her new honor with runners-up Marsha Hagwood, left, and Laida Arcia, right.

HOMECOMING FESTIVITIES are enhanced by Fran Barnard's participation.

OVERCOME AFTER THE ANNOUNCEMENT that she is the new Chief Marshal, Alexis Tew tearfully accepts the welcome of outgoing Chief, Pat Arledge.

Fall Months Express Forms Of Fun, Learning, Honors

Homecoming was one of the greatest—and wettest. Clever and attractive floats opened festivities at the afternoon parade and before the game at night. First prize went to Hemby's "Betsy Ross" float that well exemplified the theme of American patriotism. So what if we lost to Great Bridge in the rain! Beautiful Homecoming Queen, Sue Peake, and lovely Maid of Honor, Marilyn Miller, surely swept away any disappointments.

About the time students were "finding out" teachers' tactics, twenty beaming Juniors were pinned 1966 Marshals, and the SCA conducted its Welfare Drive.

IN THE WELFARE DRIVE Juniors Bob Slade, Dwight Smith, and Leonard Sly prove Truckers, "really care."

Holiday Season Imports Festive Entertainment, Activities

SOLEMN FACES SET the mood of rehearsal for the annual Christmas Choral Concert, which in reality is a jovial event.

On December 4 the cafeteria was filled with students as usual. But this time for college boards! A sea of teeth were biting lower lips; nervous eyes were constantly glancing at an intolerably slow clock; a combo of numerous pencil tappers was beating out unconventional rhythms. But presto!—the magic word "begin" drove away all butterflies and ignited the thinking spark plugs of hundreds of undersized 3 lb. brains. To seniors, this day marked the end of rigid college entrance requirements; to Juniors it was only a beginning.

However, CHS, by no means all serious in December, was filled with merry-making and music-making. The Watusi and 'Bird contemporized parties with traditional themes. And the always enjoyable Choral Concert was made more inspirational and joyous by our own Mr. Moore at the new organ.

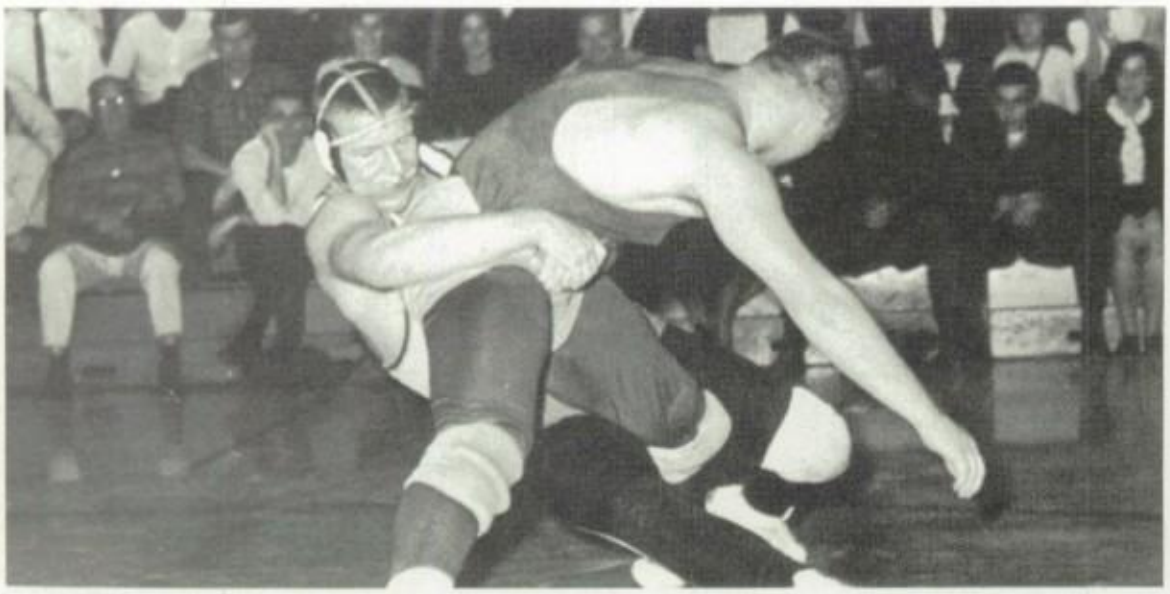
TOMMY, LUCY, AND MARION represent CHS spirit for the needy.



ASHLEY BUTLER EXEMPLIFIES vigor and skill in his attempt to win.

THERE'S NOT A SINGLE TRUCKER who didn't live it up in the first semester snow. After all, consider the benefits.

ARE THE EXPRESSIONS IN THE CHEERING SECTION what English teachers would call sundry, heterogeneous, incongruous? Maybe so. But to most of us, it's just familiar faces having fun supporting the basketball team.

"THERE . . . FORGET THYSELF to marble . . ." Sue Bomberg reminds one of Milton's **Il Penseroso.**

"CALLING PAUL McCARTNEY . . . Do you read me?" daydreams Joanne Nance.

PEERING INTO THE UNKNOWN of the basketball world are Tommy Loizzi and company.

Blizzard Of '66 Snows Six Day Holiday, Deletes Exams

6 days! Six (6) whole days! The school board actually called off school for this time because of a much-welcomed snow—the Blizzard of '66. As if it weren't enough to be out for a week, Mr. Chittum cancelled all of our exams! Cramming until 4 in the morning was heard of by no one, and no cases of mental derangement, frayed nerves or jittery feelings were experienced by any Trucker.

A few days after school resumed its regular schedule, loyal supporters of Churchland's wrestling and basketball teams cheered on members in hopes of winning games. Later on in February, Juniors turned their energies toward making high scores on the National Merit Scholarship Test.

Warm Spring Days Bring School Daze Among Students

Second semester arrived to the wonder of those who couldn't believe that time could have passed so quickly. With the thaw of winter came spring fever, that perennial syndrome which pervades students' minds and affects all activity of the season.

Spring 1966 kept pace with the traditions of former years. Soon after the crowning of Mr. and Miss Churchland came a surge of spring events — outdoor sports, ring orders for juniors, SCA elections, Bermuda Day, Senior Week, plans for the proms, and sunburn.

The year climaxed with the arrival of the **1966 Trucker,** the awards assembly, baccalaureate, and graduation. It was a year of pierced ears, the Frug and Watusi, boots, the Niemeyer wedding, polka dots on stripes — and, naturally, Batman. It was a very good year. Our year.

DURING A HOOTENANNY at one of the assemblies, Steve Blow captivates the audience with his version of "Polly Von," a German folk song.

English Opens New Vistas To Truckers

Ever wonder why industrious students are required by the school board to struggle through four years of English in order to earn a diploma? Freshmen, upon entering CHS, are dumbfounded with such a stipulation; Sophomores wonder at it with increased confusion; and Juniors approach the whole affair with an air of resignation that often leads to rebellion. But by the time a Trucker has been through first semester of Senior English, he finally discovers the reason for 4 years of reading, "hashing over," and often memorizing works of Homer, Dickens, Eliot, Wilder, Frost, Milton, Shaw, and "the largest and most comprehensive soul," William Shakespeare. It is from diligent study of these men of letters that students might learn to have "as little misery and as much happiness as possible."

"FRIENDS, ROMANS, COUNTRYMEN, lend me your ears . . ." and thus one more English student, Jimmy Finnigan, becomes involved in **Julius Caesar.**

Research Studies Spur Students In Scientific Projects

Electromagnets . . . paramecia . . . ferns . . . silver halides . . . clockwise moments . . . relative velocities . . . suggested just a few of the many topics studied in various classes of the Science Department.

In biology, general science, chemistry, physics, and senior science, students are taught the latest and most up-to-date scientific information by means of class lectures and individual experimentation. This method of education serves a double purpose: not only may the student gain valuable experience in techniques of original research, but he may also apply the principles he has learned.

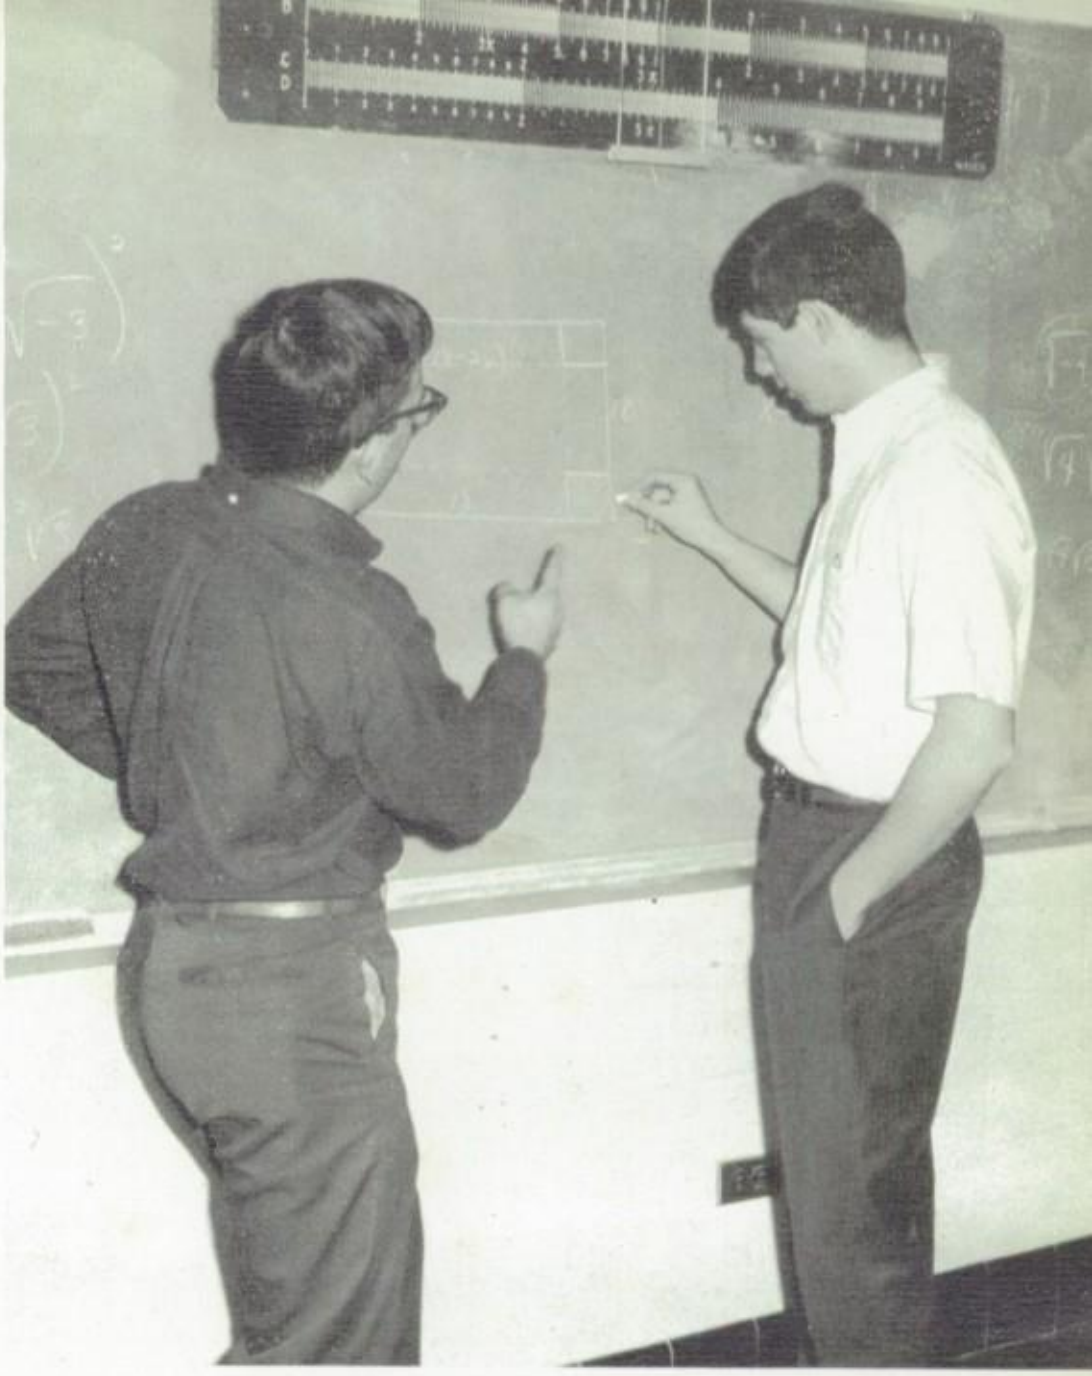
"IF I PUT IN A WEE BIT of this and a mite of this, we ought to come up with Dr. Jekyl's formula!" This may be just what Susan Garrett and Eleanor Wilkinson are concocting during one of their Chemistry experiments!

"I WONDER IF IT'LL TICKLE IF I cut her?" muse Pat O'Neal and Barbara Smith during a biology lab.

Math Curriculum Enriches Those Of All Interests

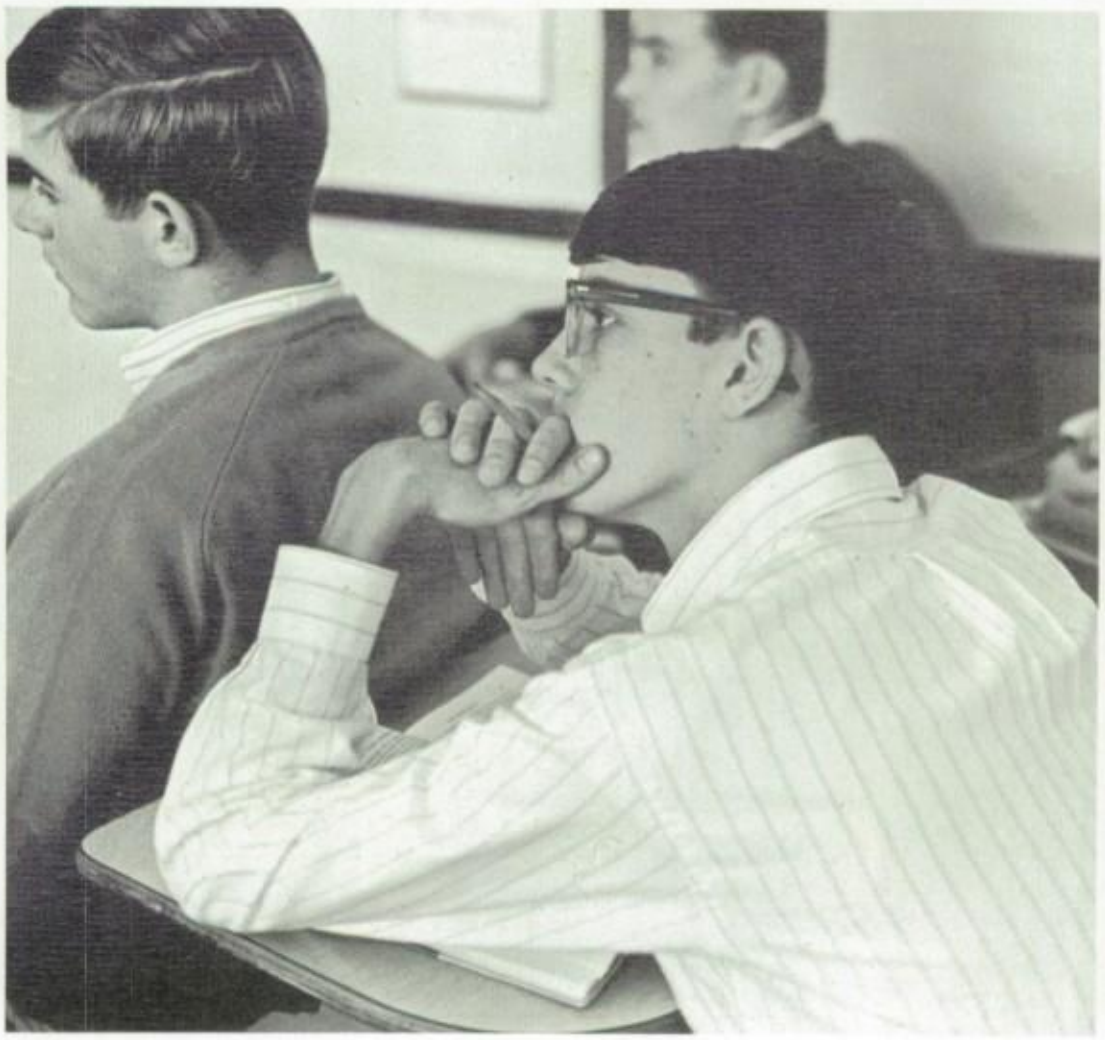
Seeking to stimulate students to new horizons of reasoning, the CHS math department offered a variety of courses this year. From the phases of general mathematics to the advanced concept in senior math, the curriculum sought to accommodate all levels of mathematical understanding.

Topics covered by the stimulating courses included algebra, geometry, trigonometry, analytics, and calculus. Emphasizing studies for both vocational and college-bound programs, the math department continues to challenge high school minds.



"THAT'S NOT RIGHT," mumbles Brian Buxton as he and Bobby Psimas hash-out a problem in Advanced Math.

"I SEE A MISTAKE," thinks Mrs. Duke as she goes over what was to be the mid-semester exam.

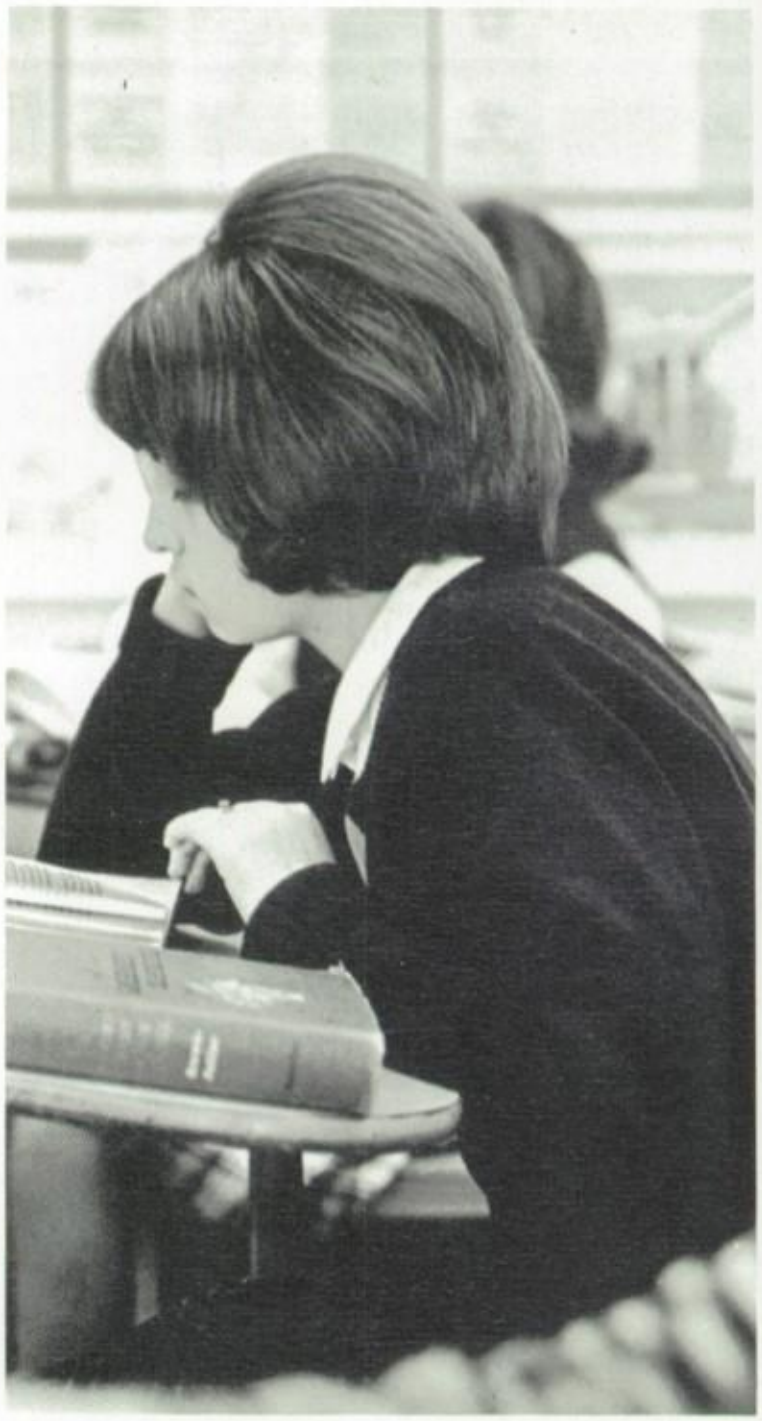


"HMMMMMM, WHAT A PROBLEM," ponders Steve Otwell during Advanced Algebra and Trigonometry.

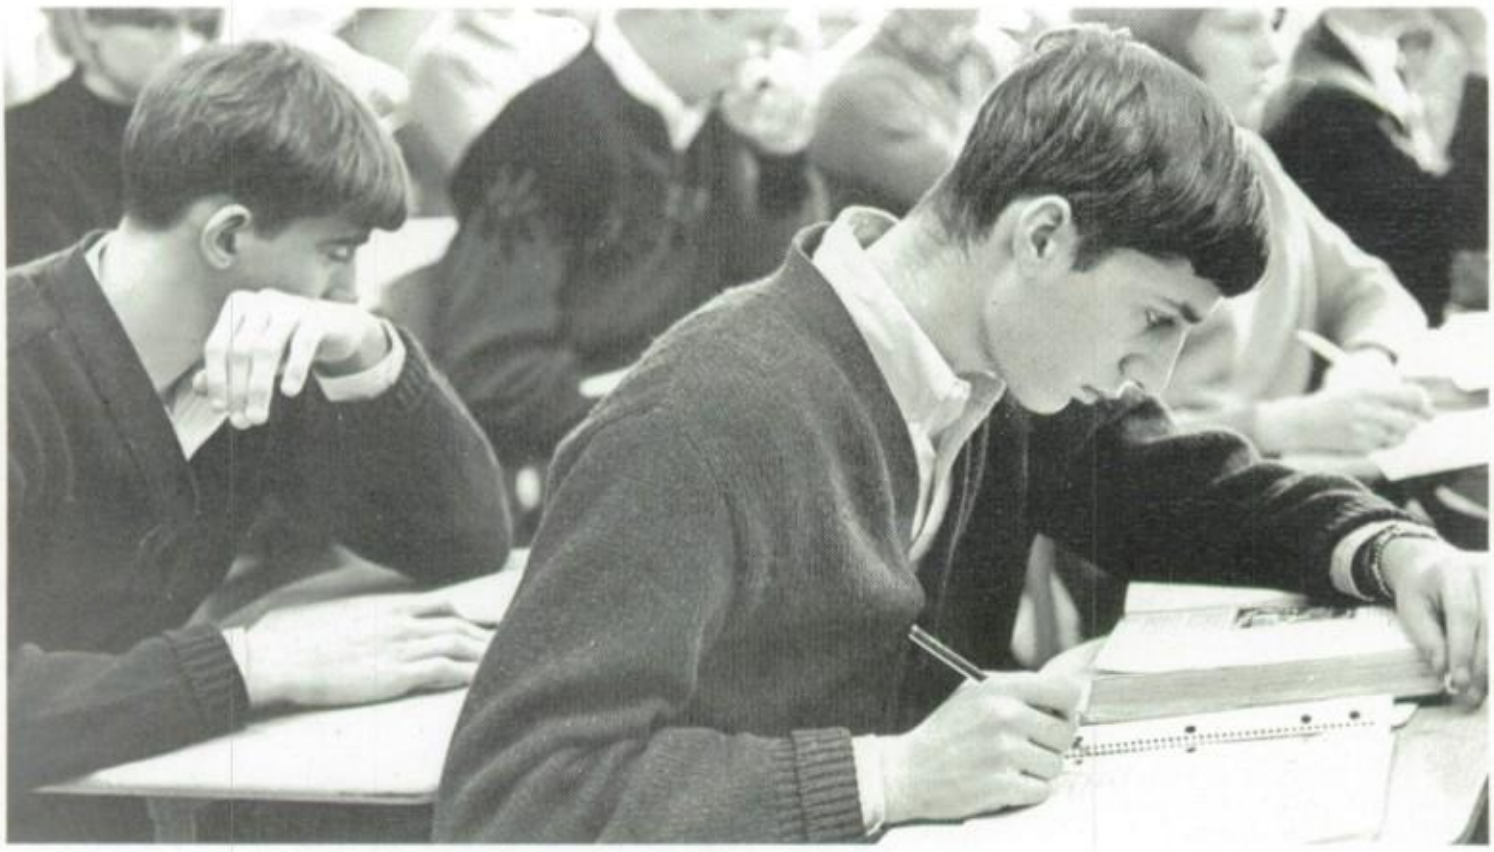
AS MR. MANCUSO LECTURES, his "middle-class suburbanites" learn the intricate workings of the national economy.

Economics Inquires Into Nature, Causes Of Wealth

Searching for new courses to challenge CHS students, the history department offered an economics course this year. Emphasis was notable in a variety of fields. Government courses gave seniors an insight into the origin and nature of our citizens' rights. History courses sought to relate man's past to his present. The effects of climate and terrain on history were central to geography. The stimulating humanities course presented man's quest for values.



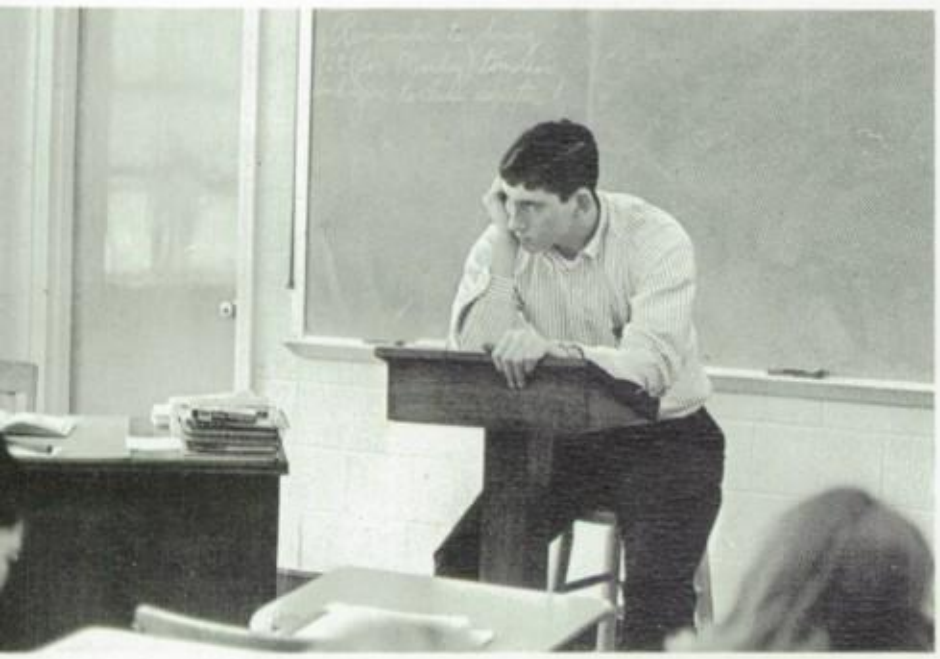
IF ONLY MISS MASSEY KNEW that Margaret was really reading **Thunderball.**



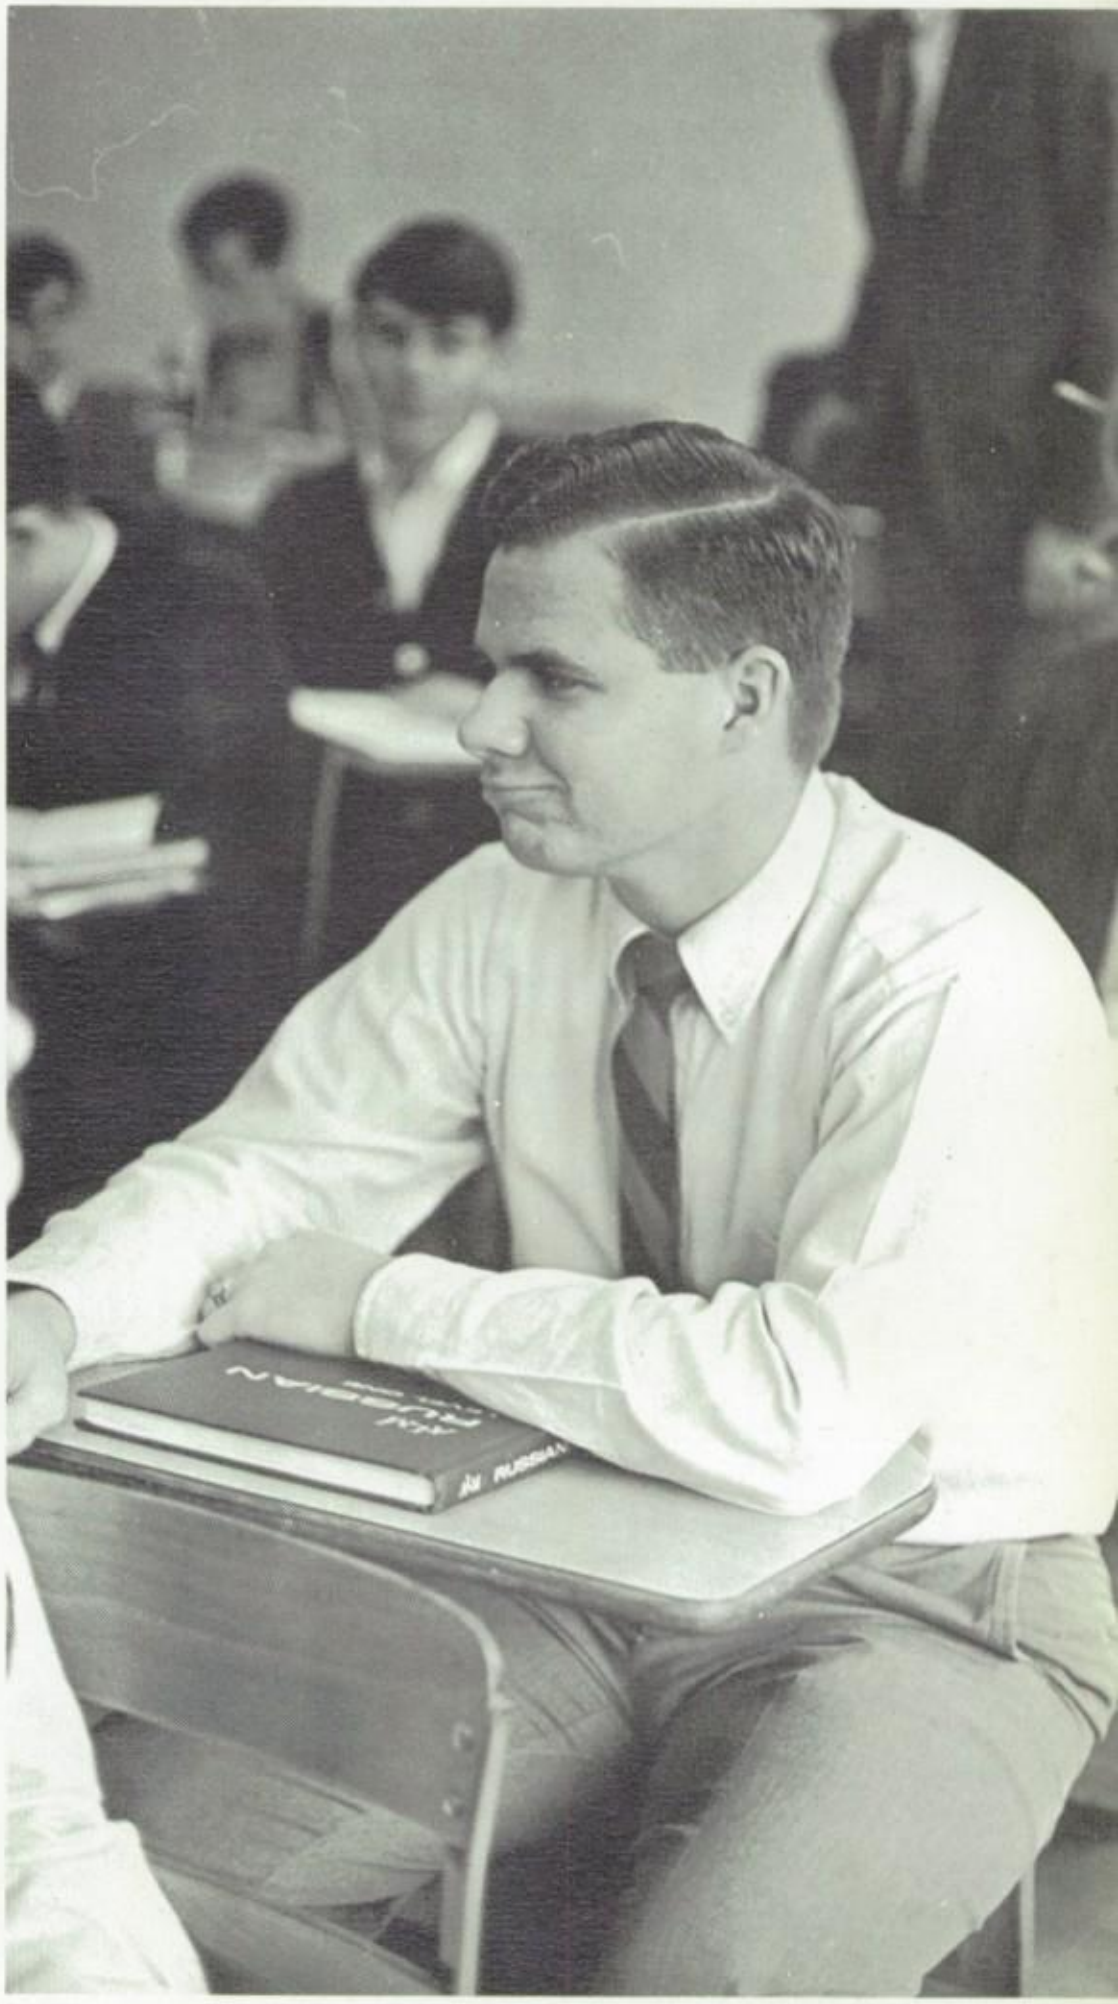
BARRY IN WORLD HISTORY—such intensity!

Languages Bring Students Closer To Other Lands

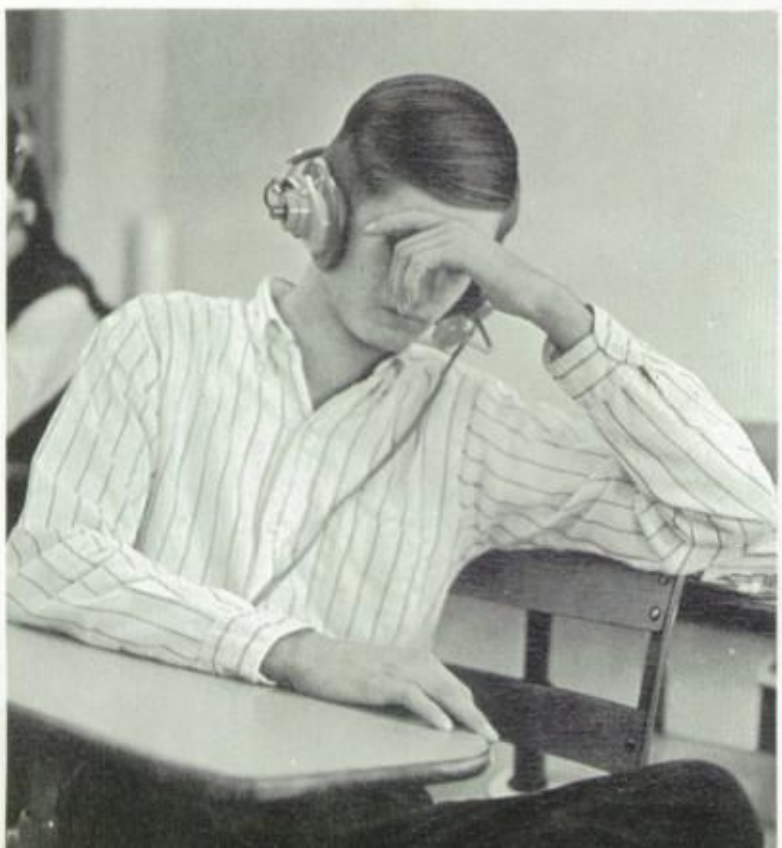
Russian or Latin, Spanish or French . . . communication through language. Ever expanding its curriculum, the language department offered Russian for the first time in '66, with Mrs. Katz injecting her "fireball" personality into her class, trying to put across the "melodious sounds" of her favorite language. Students of French and Spanish learned the quick responses of modern languages by using the language labs, while the Roman scholars studied the foundations of classical Latin to the tune of "Come to our aid, please." Language at CHS was a means for enhancing the students' vistas of our foreign neighbors.



TOMMY LOIZZI, M.A. in Latin, Ph.D. in intensive classical lit., and LL.D. in ethereal contemplations takes over for Mr. Moore, M.Ed., in Latin IV class.



"WE WILL BURY YOU!"
growls Carl Vorhees in CHS's new Russian class.



"HMM, SOUNDS LIKE Flight of the Mumblin' Bee," mutters David Miltier, listening to French tapes.

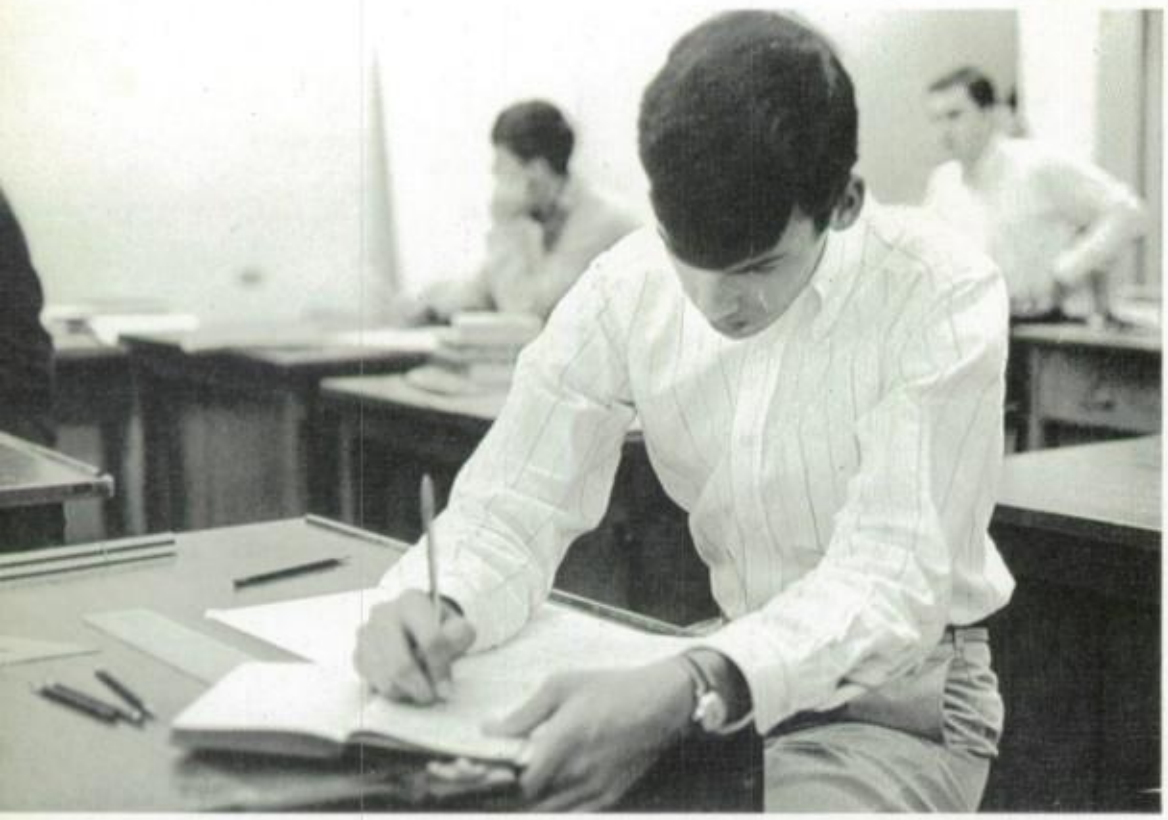
Industrious Students Gain Skills Through Manual Arts

Baking cakes . . . building book cases . . . welding metal joints . . . sewing garments . . . drafting house plans . . . are just a few of many areas of learning available to Churchland students through the educational training program of the Industrial Arts Department.

Through metal shop, wood shop, home economics, and mechanical drawing, students are given the opportunity to gain experience, as well as wide backgrounds, in the arts of craftsmanship.

Whether these talents are cultivated in design, decoration, construction, or culinary arts, they form an essential component of today's world.

"NOW, IF I PUSH HERE, will I get chartreuse, fuscha, or polka-dot icing for these cookies?" wonders Diana Brooks in Senior Home Economics.



"I'M GOING TO LEARN how to do this drawing if it's the last thing I do," grumbles Jinks Davis in mechanical drawing class.

WITH THE SECOND SEMESTER, Mr. Ralph Endicott took the shop classes which CHS lacked first semester. Here, he gets the program underway with a "pep talk."

CHURCHLAND'S OWN DA VINCI, Susan Davenport, adds the final touches in art class to her water color painting.

Students Cultivate Expression, Appreciation Through The Arts

Bits of beauty seen in water color prints . . . snatches of melodies heard in blending voices . . . harmonious sounds wafted from collected instruments . . . all become integral parts of CHS life as art and music seek to instill a sense of refinement in the students. By working in art, students get a sense of design and color so needful in today's commonplace experiences. Through instrumental and vocal music, students obtain training in music appreciation and in understanding one means of self-expression. Through all three, students acquire a better feeling for some of the finer things in life.

"THERE SHALL A STAR COME OUT OF JACOB . . ." sing chorus members blending their voices for their winter concert.

THE TRUMPETS BELT OUT THEIR part of a Rossini overture during their first period rehearsal.

MELANIE BAKER AND Billy Jean Ashbury check the sums added by machine.

Expanding Business Courses Stress Practical Experience

"Expansion" was the key word in the business department this year. A new course, personal typing, offered college bound students an opportunity to learn to type manuscripts and term papers correctly. Business students were taught the fundamentals of business in such courses as bookeeping, typing, shorthand, record keeping, business law, and clerical practice. VOT, DE, and ICT classes gave the students a chance to apply what they had learned to practical situations in the businesses of local merchants. Through diligence in their studies and application of their knowledge, business students prepared themselves for the world of commerce.

Enthusiasm Sparks Year Of Dynamic Activity In SCA

Bursting with energy and new ideas, the Student Co-operative Association began the year by stating its ten objectives and proceeding to fulfill them. Among these were the awarding of several $200 scholarships to deserving seniors, and organizing a Pep Club.

Desiring to be a student-centered organization, the SCA gave a senior ring dance on the second day of school. Enthusiasm became contagious as committees began planning events as homecoming and assemblies.

During the year delegates attended several inter-school activities. At state and district conferences they learned leadership skills by means of training and workshops.

Led by a dynamic SCA, Churchland had an activity-filled year with so many projects promoted and completed. New ideas and increased enthusiasm permeated the entire school giving an exciting year under the SCA.

"First through Service" the state theme, guided the student council in all its work. With these words as its motto, the SCA through its committees carried out such programs as "Operation Shoebox" and the writing of hundreds of cards for the soldiers in Viet Nam. Also the SCA Building and Grounds Committee saw to it that the victory flag was flown to advertise to the community some honor won in scholastic or sports endeavor. Through the assembly committee the SCA gave students entertaining, informative programs.

Seniors enjoyed a special privilege this year. For the first time those seniors maintaining an A average in a subject were exempt from that exam. The SCA took the initiative in getting this done.

Successful functioning of all of the SCA committees made the student body increasingly aware of the part they play daily in the many activities of CHS.

'66 Trucker Staff

TRI-EDITORS-IN-CHIEF: Susan Davenport, Johnny Ellis, Pat Arledge.

Utilizing a new and unusual format, the **1966 Trucker** staff spent untold hours creating, designing, and revising its masterpiece. Backed by first place awards from both the SIPA and the CSPA, staff members launched into mosaic layout designs, novel photographic schemes, and unusual ideas for copy. They worked diligently, collecting over $2,000 in ads and picturing over 98% of the student body. A larger size, the tri-color cover, and the exciting theme — EXPRESSIONS — all distinguish the **1966 Trucker.**

Staff members worked free class periods, before school, and many afternoons each week drawing sections, shooting pictures, spacing headlines, compiling the student index, and writing copy. After a last minute rush to meet the final deadline, the staff finished its work in April. The annual staff climaxed the arrival of the long-awaited **Trucker** with a dance.

"NO CLYDE, we don't want a 2 page picture of the SCA president."

"I KNEW I would find a mistake," moans Susan Caplan as **Trucker Topics** staff fold the final copies.

Each action-packed day is full of NEWS, the essence of life to the "Trucker Topics" staff. Each student is a newsmaker, a paceseter who helps to create the daily excitement at CHS. The opinions of the student body were the basis for many feature articles, as the newspaper always tried to reflect the students' viewpoints.

Interviewing students, taking pictures, and writing articles all played a part in the staff's daily routine as they rushed to meet their monthly deadlines. This year, the staff joined the "Quill and Scroll," an international honor society for journalists. Also, one new addition to the paper was a "Here and There" column, which various columnists used to voice their opinions and spread morsels of gossip about students and teachers.

Cercle Francais Stimulates Interest In French Culture

'EYE OF A NEWT and toe of a frog Wool of a bat and tongue—that's right!' Ponders Jeanette Parks at the Club's Christmas Party.

"When in the course of CHS events, it becomes necessary to form an organization to promote further interest in France and French culture, there is no doubt that over a hundred students at Churchland will join with their support!" On this note thus began CHS's first French club, boasting the largest membership of any other CHS organization, next to the SCA and Pep Club. The group, "transported to France" every month, went beyond the limits of the classroom to increase fluency in French. Members were enlightened by both native Frenchmen and lectures of fellow members. Through games and familiar songs, the French Club proved a stimulant for greater interest in the French language and customs.

Banquet Highlight "Societas Discipulorum Romanorum"

"Ave, Caesar! Ave, Caesar!" To this chant from the "plebians," John Barney, CHS's first consul, marched amid his subjects to open the initial session of Societas Discipulorum Latinorum. Organized to offer entertainment for modern day Romans, the club assumed a unique place at CHS, for members were required to wear togas or pallas to all meetings. From exchanging gifts during the Saturnalia to enjoying the Roman banquet, the members found that Latin is more than second periphrastic and "hic-haec-hoc." Slides of Italy and meetings celebrating Valentine's Day and the Ides of March rounded out a year which proved that Latin does live today —and it is fun!

Los Amigos Gain Greater Insight Into Spanish Customs

"Se abra la cession de los amigos . . ." the meetings of the Spanish Club came to order. The first item on the agenda was the homecoming float, which was titled "Victory for Youth." In December, Los Amigos held their Christmas party, the biggest event of the year. "Cascabel" and "Noche de Paz," Spanish Christmas carols, rang through the halls, and shouts of "derecha" (right) and "izquierda" (left) directed blindfolded students to the candy-filled pinata.

Spanish Club members were transported to sunny Spain during the frigid winter months with the interesting presentations given by guest speakers. To end their Spanish Club meetings for the year, a banquet at Ralph's restaurant was held where they installed their new officers.

Bible Club Raises Money For Picnic With Bake Sale

IN A DISCUSSION on the Second Coming, Bible Club members delve actively into Revelations.

By "developing the spiritual and moral qualities of its members," the Bible Club once again proved itself to be an effective organization. Its members held devotional services in the metal shop each morning before school in which they sought God's leadership for the remainder of the day.

During the Easter holidays they sponsored a picnic in city park for boys from the Westhaven Home. As a non-denominational group, they raised the necessary funds for this and other projects by bake sales and offerings.

The club brought the year to its conclusion with an annual banquet at which they honored all the guests who had spoken to the club during the year.

Thespians Produce Expressions With Comedy. . .Tragedy

Drama, Suspense, Comedy . . . Hard Work...are words which describe what the Thespians accomplished. During their meetings and productions, they learned the dramatic arts through their acting. Under the spirited direction of Mr. Gwin, they discovered the means of creating the elements of drama, suspense, comedy, tragedy . . . Working with larger membership, the old Thespians introduced to the new dramatists the pleasure and enjoyment which comes with acting and hard work. Occupied with learning lines for new plays and presented with interesting programs at monthly meetings, such as the monolog, "The Story of Rindercella and Her Three Sad Bisters (?)", the Dramatics Club of CHS enjoyed an interesting year of learning and performing.

Youth Governor

Stirred by experienced leaders, Truckers Hi-Y sought another ACE award through outstanding community service. Johnny Ellis, club president, served as President of the ten-state Blue Ridge Assembly and Governor of the Model General Assembly. Bob Slade, club vice-president, won the race for First Vice-President at Blue Ridge.

With great enthusiasm, Truckers carried out many service projects, including a school cleanup campaign, the donation of magazines to hospitals, and the presentation of its service award to a worthy senior. The Hi-Y raised money through the sale of doughnuts and basketball programs. The construction of a prize-winning homecoming float and parties at the home of club sweetheart Karin O'Neal rounded out a perfect year.

Squeals, Delight Caused By Gifts Of Bunny Sisters

"Service," the key word in their purpose, was the theme of Churchland Tri-Hi-Y's participation in various projects involving school, home, and community. For the final football game of the season, the girls made pep tags for the players. To give recognition to students who exemplified outstanding school spirit, Churchland named "Mr. and Miss School Spirit" every month. During November they recognized club sponsors by presenting them with corsages in honor of National Tri-Hi-Y and Hi-Y Week. They also took part in the annual Harvest Festival at Thanksgiving. In February, they presented the Miss Churchland contest.

With the spring and the closing of the school year, two events drew the girls closer together. In April, surprise gifts and thoughts from "Bunny Sisters" caused squeals of joy as presents were exchanged.

Succedo Boosts School Spirit By Selling Pep Tags

The activities of Succedo Tri-Hi-Y this year have contributed to both the students' and the community's way of life.

Succedo sold pep tags to boost school spirit at games. To inform the students of school activities Succedo put up a bulletin board in the cafeteria. The club held numerous bake sales and car washes which increased their treasury and showed their desire to help the community.

Succedo Tri-Hi-Y distinguished itself in community projects. At Thanksgiving members gave a needy family a basket of food. At Christmas, members gave stockings to hospitalized youngsters. During Easter, they ended their year of projects by giving hospitalized children Easter baskets.

Betsy Sews Up First Prize For Hemby At Homecoming

Wanted: An "Ace" award for the Connie Hemby Tri-Hi-Y. Striving to attain this goal, the club aided many worthy causes throughout the year with service projects.

In October, Hemby members made hospitalized children happy by giving them candy and magazines. For the holidays of Thanksgiving and Christmas, they presented needy families with food baskets. By helping the March of Dimes drive in January, and sending valentines to the Old Folks' Home in February, Connie Hemby continued to serve the community.

After selling litter bags and baked goods, Hemby ended its year of service by presenting a scholarship to an outstanding member.

Webb Furnishes Teachers' Lounges With Refreshments

Webb Tri-Hi-Y, as an organization devoted to service in the school and community, was involved in a multitude of projects. The most obvious service performed around school was decorating the display case on the second floor monthly. However, the most welcomed service, at least from a faculty standpoint, was the refreshments Webb furnished for the teachers' lounges. The club's biggest thrill of the year came early in school when they copped a prize in the annual homecoming parade. Combined effort again was evident throughout the year as the girls took part in National Tri-Hi-Y Week, helped a needy family at Thanksgiving and Christmas, and held its annual fashion and style show in the spring. Webb girls honored their mothers and newly elected officers at the banquet held in May.

Jim,
I'm really glad I got to know you this year. You've really got what it takes - personality + intelligence. Or should I say character, scholarship, leadership & service. I'm really happy you're V.P. of next year's H.S. I know you'll do a good job.
Thanks for the rides home! You're really a great guy.
Have a nice Summer & take it easy. Make the most of your SENIOR year. It's the best!
Lots of luck,
Benny

Dick Shea's Boys Stimulate Interest By Service Projects

With increased effort and enthusiasm, Dick Shea Hi-Y members gave their time and talents to the school and community through their many projects this year.

During the Thanksgiving season, the members of Dick Shea contributed baskets of food to the needy through the SCA's drive. The Hi-Y showed its Christmas spirit when it gave food and clothing to a needy family in the community. To provide a challenge for other clubs and support this country's soldiers in Viet Nam, Dick Shea donated five dollars to "Operation Shoebox."

In a final splurge to clean out the treasury, the Hi-Y ended its year of service activities with a beach party.

Cem Orbits CHS, As Astronauts In Gemini Five Float

The new school year brought the surprised but happy faces of the new members of the CEM Tri-Hi-Y. Following their induction came an anxious wait for Tri-Hi-Y pins.

CEM participated in Homecoming with a float depicting Gemini 5. Cries of "Going, going, gone!" filled the air and marked the success of CEM's rummage and bake sale as money projects.

Perrecta Hangs Rival Basketball Players In Effigy

LUCY BROWN STUFFS a doll which represents an opponent of CHS (may he hang in effigy!). Meanwhile, other members of Perrecta awed, watch the gallows being erected.

"JANET!!" CRIES Connie during a Bible quiz, you have to know who Moses was!"

Has Churchland come to permit, even to encourage, the destruction of its rivals by capital punishment? This did seem the case when the Perrecta Tri-Hi-Y devised a clever plan to boost basketball teams to victory. They made dummies of rival players for the homerooms to hang in effigy.

The club's manifold service projects included cleaning room 98 for sponsor Miss Wilkins and decorating the YMCA at Christmas. During National Tri-Hi-Y Week, Perrecta members cleaned the YMCA and distributed pamphlets which explained the purpose of Tri-Hi-Y to students and teachers. Also, President Lucy Brown spoke at the Rededication Service.

Doughnut sales provided funds for many projects; through these activities members carried out their goal of Christian service.

Churchland Hi-Y Gives Orphanage Sports Equipment

Front row: Herbie Winborne, Leonard Sly, Jimmy Nash. **Back row:** Tom Diklich, Dickie Culpepper—pres., Wayne Parker, Craig Parker.

Worries caused by the lack of funds started the school year for the boys in Churchland Hi-Y. Much attention was given to the problem of finances in many of the earlier meetings, but a candy sale in February helped to alleviate the condition.

The Hi-Y did not concentrate solely on finances; community service projects were given equal consideration. One project was donating sporting goods to a local orphanage. Another was treating a welfare family to an Easter dinner. Near the end of the year they donated a book to the school library. An annual beach party brought the year to its close.

Beck Tri-Hi-Y Increases Role In CHS Life In Second Year

"OH, COME ON CAROL, don't hold out on me," says Jane Kay as she collects weekly dues.

Increased service seemed to be the key to Beck Tri-Hi-Y in '66. Halloween favors and Easter baskets brightened the Kirk Rehabilitation Home, while Beck members helped school spirit in October by printing the cheers for a pep rally and in December by selling school spirit badges. Through the selling of doughnuts and baked goods, also in the fall, they raised money to support their projects.

In January, Beck Tri-Hi-Y members dressed up for YMCA Week and had guest speakers. The donation of money to the summer program at Blue Ridge ended the Tri-Hi-Y's year of service.

"Cold drinks! Candy!" bellowed Varsity C members from their concession stand. As part of their service to the school and as one phase of their initiation into the club, pledges were given the "opportunity" to run the snack stands at home basketball games. Taken into the club in January, the initiates demonstrated their interest in the club by providing between-class treats of gum and candy for their "Big Brothers."

Overall club projects gave the Varsity C boys a chance to render service to the school and to find enjoyment through fellowship. By keeping the track and field record up-to-date, members kept students informed about the progress of one phase of athletics. Good Wages Accompany Training For ICT Members

"EXTRA MONEY!" This incentive stirred up every member of the Industrial Co-operative Training Club. They obtained the money from their jobs. Through this organization, members made good wages while gaining much valuable training and both developing and maintaining good employer-employee relationships.

Extracurricular activities also played a large part in the year's activities. The annual Employer-Employee banquet, the district meet, and the display of prize-winning posters at the state convention highlighted the year.

ICT served the community by selling homemade candy to raise money for toys for hospitalized children. The members contributed not only to the needy at Thanksgiving, but also to the March of Dimes.

NEW MEMBERS LISTEN intently to responsibilities of being in the FTA.

By FTA Members

The FTA president had stated, "This year, we will stress service." In this way, the Future Teachers of America tried to emphasize the teaching profession.

The club extended its services to CHS in various ways. At Open House, the members were guides for lost parents; in November, they held a tea for the faculty. Each month, the club presented a deserving teacher the "Teacher-of-the-Month" award. The club helped the faculty in June by recording duplicate grades from reports, copying grade sheets, and running errands.

After raising money by selling pom-pons and doughnuts, the club honored a senior member with its annual scholarship.

April Symposium Heightens CHS Scientific Interest

ON A FIELD TRIP to the Naval Radio Station, Dwight Smith pores over the vast amount of equipment.

Scientific research . . . projects . . . science symposium . . . these were the areas in which the CHS Science Club concentrated. Attempting to create more scientific interest, guest speakers introduced stimulating ideas for science projects.

In February, the club sponsored a science fair for CHS students. Having been exposed to a cross section of science, the students acquired new ideas and deeper understanding for future research. — In April, the Science Club held a symposium for Chesapeake schools. Selected papers, representing various scientific fields, were presented. These served as experience for other contests, as CHS scientists won statewide recognition for their work in 1966.

"Governmental intervention in labor disputes is unconstitutional."

"On the contrary, it is mandatory if the United States is to utilize to the utmost its manpower in industry."

Who is to say which argument is correct; however, CHS debaters certainly became engaged in many heated debates trying to put across their views. Confronted with the question of compulsory arbitration, the debate team spent many long hours in practice debates, hashing out the problem and providing new members with experience. When matching wits with other schools they soon realized the true value of their tedious hours of research and discovered its reward as they proudly carried home the honors.

Gladys Returns Again - Bringing Hints On Dating

Little did the audience know on January 6 that the Pierette Club is a social organization among senior girls which promotes charm. The members took charge of the assembly and presented a skit entitled, "The Adventures of Gladys and Grady." It described "boys" and girls on a teen-age date lacking manners and poise.

Once each month throughout the year, this social club met at the homes of various members, offering instruction in poise and etiquette. At these meetings, the girls dressed in their best Sunday clothes and became not teenagers but young women.

In the late spring the members chose twenty-five junior girls as new members for the following year, leaving five members to be chosen in their senior year.

Monogramers Give Finances For Football Team Parties

Contrary to popular belief, it wasn't a scene from "Dracula," but merely the initiation of members into the Monogram Club. After a week of such antics, the club began its main project, to provide the Varsity Cheerleaders with funds for both decorating the goal posts and indulging the football team with two parties.

To boost the treasury, the club again organized the traditional faculty-student basketball game, held at the end of the basketball season.

For the year's finale, members and their dates journeyed, via hay truck, to Virginia Beach for their party.

IS THIS A MODEL for a fashion show the Monogram Club might be sponsoring? No, just Kaye Keith being initiated.

Laurels Bestowed Upon

Far from the commonly held idea of "boil, boil, toil and trouble," jobs of D.E. members in the spring played second fiddle to the sumptuous employer-employee banquet, which highlighted the members' hard work.

In addition to taking D. E. courses at school, members also gained first hand knowledge of the business world at daily jobs. Here skills offered in training included mechanics, electronics, nursing, dental assistance, beauty culture and many others.

To add a little "play" to all this physical and mental "work" the club at Christmas sold holiday place mats and sponsored the annual door decoration in contest, of which Mr. Gwin's homeroom received first place.

All Chorus Classes Experience Unique Styles, Techniques Of

Led by the newly-formed Concert Choir, the Churchland High Choral Department attained higher levels of musical perfection this year. The choruses received valuable training under the direction of expert conductors and clinicians. Dr. Schellhaus of the University of Cincinnati lectured on music education to the chorus classes and conducted the advanced groups. Mr. Donald Smith of Frederick College spoke on the college's choral program and directed the classes.

Behind the scenes of the various concerts and assemblies of the choral department were endless hours of sore throats and frayed nerves. After many hours of intense practice in individual classes all choral groups went to the stage to rehearse for the Christmas and Spring Concerts. Under the hot stage lights they gave Mrs. Blake their undivided attention and followed her directions explicitly. Often her favorite phrase, "All right, people," would precede her critical analysis of a particular number. As a result of this criticism and vigorous practice, the choruses executed flawless performances on each occasion. Reward for the many hours spent in music training came with the selection of numerous students to Regional and All-State Chorus.

Directed by Mrs. Virginia Blake, the CHS choruses achieved statewide recognition for their superb performances in concert.

Village Singers, Composite Personalities, Perform For First Year

"I like it because of the composite personalities." Thus Mrs. Blake expressed her thoughts on the Churchland Village Singers. As a select group of students from the Mixed Chorus, The "Villagers," under the capable direction of the Student Director Helen McCready, have furnished both the student body and numerous civic organizations with many musical selections throughout the year. Begun as a purely entertaining group, the 15 "Villagers" were received enthusiastically wherever they represented CHS in their singing.

Tweet, tweet, tweet, ba-room! As the mellifluous sounds of the CHS band gently floated through the halls everyone knew that the band concert, "January Jingles," was close at hand. But different from years past, this musical treat was not a Christmas concert, but a tribute to the icy days of winter.

Hurrah, Hurrah! Hurrah! came the voices of band members, for their task of raising money was half over as the new uniforms were delivered in the spring. Black, white, and orange, they gave the band a gay appearance to accompany its music.

Truckers, In Spite Of Losses, Excel In Pass Interceptions

Having had the misfortune of losing twenty-five lettermen the previous year, the Truckers were a young team composed of fifteen seniors, fourteen juniors, and eleven underclassmen. Following the experienced coaches, Art Brandriff, Preston Burton, and Harry Betts, Churchland had a season record of two wins and eight losses.

Improving steadily throughout the year, the Truckers proved to be a "second half ball club" in several of their games. The team showed hustle, spirit,, and comeback in every situation it faced.

The defensive unit owned the distinction of leading the district in pass interceptions with 21. Ashley Butler was voted All-District and All-Metro tackle.

TWO THINGS seldom given credit — the referee and the ball. So here they are.

HOLDING AN INFORMAL DISCUSSION with the team, coaches Harry Betts, Art Brandriff, and Preston Burton go over some humorous point of the preceding Friday night's game.

HAVING RECEIVED KEY BLOCKS from teammates Dwight Smith (25) and Doug Ricks (82), Robert Lawson sweeps left end, avoiding the outstretched arms of Maury defender Don Wright (38). Alton Grimes (41), Horse McGlone (48) and Roger Martin (55) give desperate pursuit.

MAURY

The Truckers lost the season opener 24-7 to the Maury High Commodores. Maury scored twice in the first half on pass plays of 23 and 80 yards. The Truckers struck back quickly in the second half as Robert Lawson scored from the three yard line to end a 44 yard drive early in the third quarter. Alan Mandell kicked the extra point and narrowed the score to 12-7. Another Churchland drive in the fourth quarter was abruptly stopped by a fumble. Maury scored a few plays later and again late in the game on runs of 3 and 18 yards.

WILSON

Churchland looked impressive in a third quarter rally but still they lost to rival Wilson, 32-14. Everything the Presidents undertook in the first half worked, while they built a 25-0 lead. However, new life was instilled in the Truckers when Dwight Smith returned the second half kickoff 85 yards for a touchdown. Near the end of the quarter, Churchland marched 66 yards for another touchdown. Robert Lawson scored on a one-yard plunge. The score was 25-14 at the end of the third quarter. Wilson made the only score of the last quarter.

DEEP CREEK

In a game played a night late because of heavy rain, a very strong Deep Creek defense was responsible for the 9-0 loss to the Hornets. The Truckers did not get a first down the entire game. The Churchland defense did a very good job, for the Hornets were allowed only one touchdown and a field goal, even though they held the ball for most of the game. Also, three Deep Creek fumbles were recovered by the Truckers. The Truckers fumbled the ball four times and could not get the offense moving against the Hornet's strong defense.

PRINCESS ANNE

Rain fell for the second straight Friday night as Churchland played Princess Anne in a shower and suffered a 21-7 loss. The Cavaliers had touchdown runs of 18 and 20 yards in the first half to gain a 13-0 halftime lead. The Truckers, rallying in the third quarter, made a touchdown on a 5 yard pass from Jack Hanel to Robert Lawson. Princess Anne was able to add a safety and a touchdown in the last quarter. Jack Hanel led the Truckers' offensive attack by running and passing for 100 yards.

GREAT BRIDGE

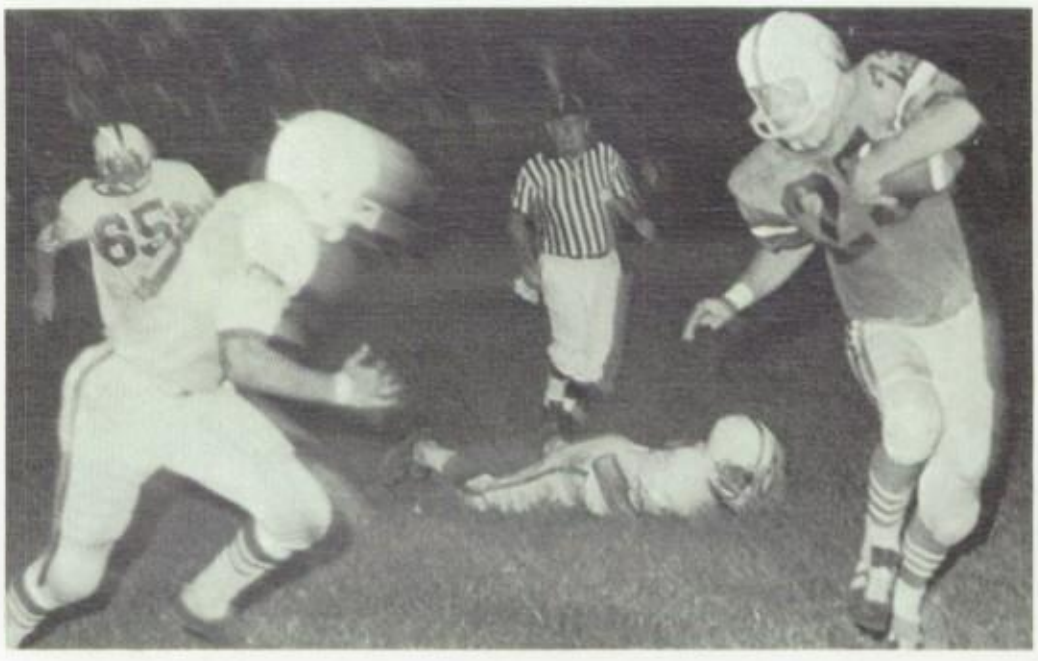
Before a homecoming crowd of some 2,000 fans, the Truckers were handed a 34-6 defeat by the Wildcats of Great Bridge, who did not lose a game all year. A shutout was averted as end Doug Ricks intercepted a pass on an attempted screen play in the second quarter and raced 19 yards to score. The Wildcats hit pay dirt three times in the first half to take a 20-6 lead. Rain fell at Churchland Stadium in the last half as Great Bridge scored twice more on pass plays of 25 yards and 16 yards.

GRANBY

The Granby Comets defeated Churchland by a score of 28-6, but the Truckers were not outplayed as much as the score seems to indicate. After a scoreless first period of play, a Churchland fumble only 17 yards from the goal line set up the Comets' first touchdown. They scored two more times in the first half and on the second half kick-off. The CHS offense mounted a 68 yard march in the last quarter and Marvin Taylor scored on an 18 yard pass. Trucker standouts were tackle Ashley Butler, fullback Robert Lawson, and quarterback Jack Hanel.

JAMES CERZA (83), SENIOR END, breaks away from Cradock defenders, Rick Skelton (48) and Ike Sherlock (62) to catch a first down pass.

CAPTAINS ROBERT LAWSON (32) AND ASHLEY BUTLER (77) break through the pep sign as they lead the team onto the field to play Great Bridge.



HALFBACK DWIGHT SMITH (25) eludes Deep Creek defenders Louis Sarrat (23) and Jerry Rockey (65) and heads to the sideline for a gain.

PLAYING AGAINST ARCH-RIVAL Wilson, Harvey Randall (62) wrestles down Wilson fullback Dickie Williams (44) at the line of scrimmage for no gain. Doug Ricks (82) and Butch Hodges (52) rush in to help their respective teammates on this play.

JACK HANEL, JUNIOR QUARTERBACK, scrambles in the backfield to escape the rush of Great Bridge's Bill Boswell (32) and Bill Mason (47).

SUFFOLK

Halfback Danny James scored three touchdowns as the Truckers trounced Suffolk 26-6 for the first win of the season. The first score came in the second quarter when Jack Hanel threw a yard touchdown pass to James Cerza. Danny James accounted for the rest of the CHS touchdowns on runs of 10, 9, and 5 yards. The Truckers gained an impressive 190 yards rushing and 158 passing as the defense held the Red Raiders to only 54 yards rushing and intercepted four passes. Suffolk's only score came on a run of 62 yards from an intercepted pass.

KELLAM

Churchland displayed its best offense of the year as they rolled over the Kellam Knights 27-6. The Truckers had 189 yards rushing and 188 passing with 19 first downs. Robert Lawson paced the attack by running for 150 yards and scoring touchdowns of 16 and 55 yards. Danny James and Dwight Smith ran for touchdowns of 21 and 20 yards each. Intercepting three passes, Dana Ferrell led the defense which held the Kellam eleven to 118 yards passing and minus 15 rushing. Their only score came on a 15 yard play.

OSCAR SMITH

In probably the most hard-fought game of the season, the Truckers lost to Oscar Smith by a score of 7-6. The first half was a defensive battle and ended in a scoreless tie. The Tigers received the second half kickoff and on the first play from scrimmage they scored a TD on a 56 yard run. Six plays later Churchland was on the scoreboard as Danny James passed to James Cerza, who scored to complete a 47 yard pass play. The try for the extra point, which would have tied the game, failed.

DANNY JAMES (11) RECEIVES a kickoff in the Oscar Smith game and cuts back up the field to pick up his blocking.

REGGIE KIRKMAN (61) MAKES an unassisted tackle as he brings down Richard Joyce (19), Kellam back. Linebackers Jimmy Wilfong (64) and Marvin Taylor (26) rush to help.

CRADOCK

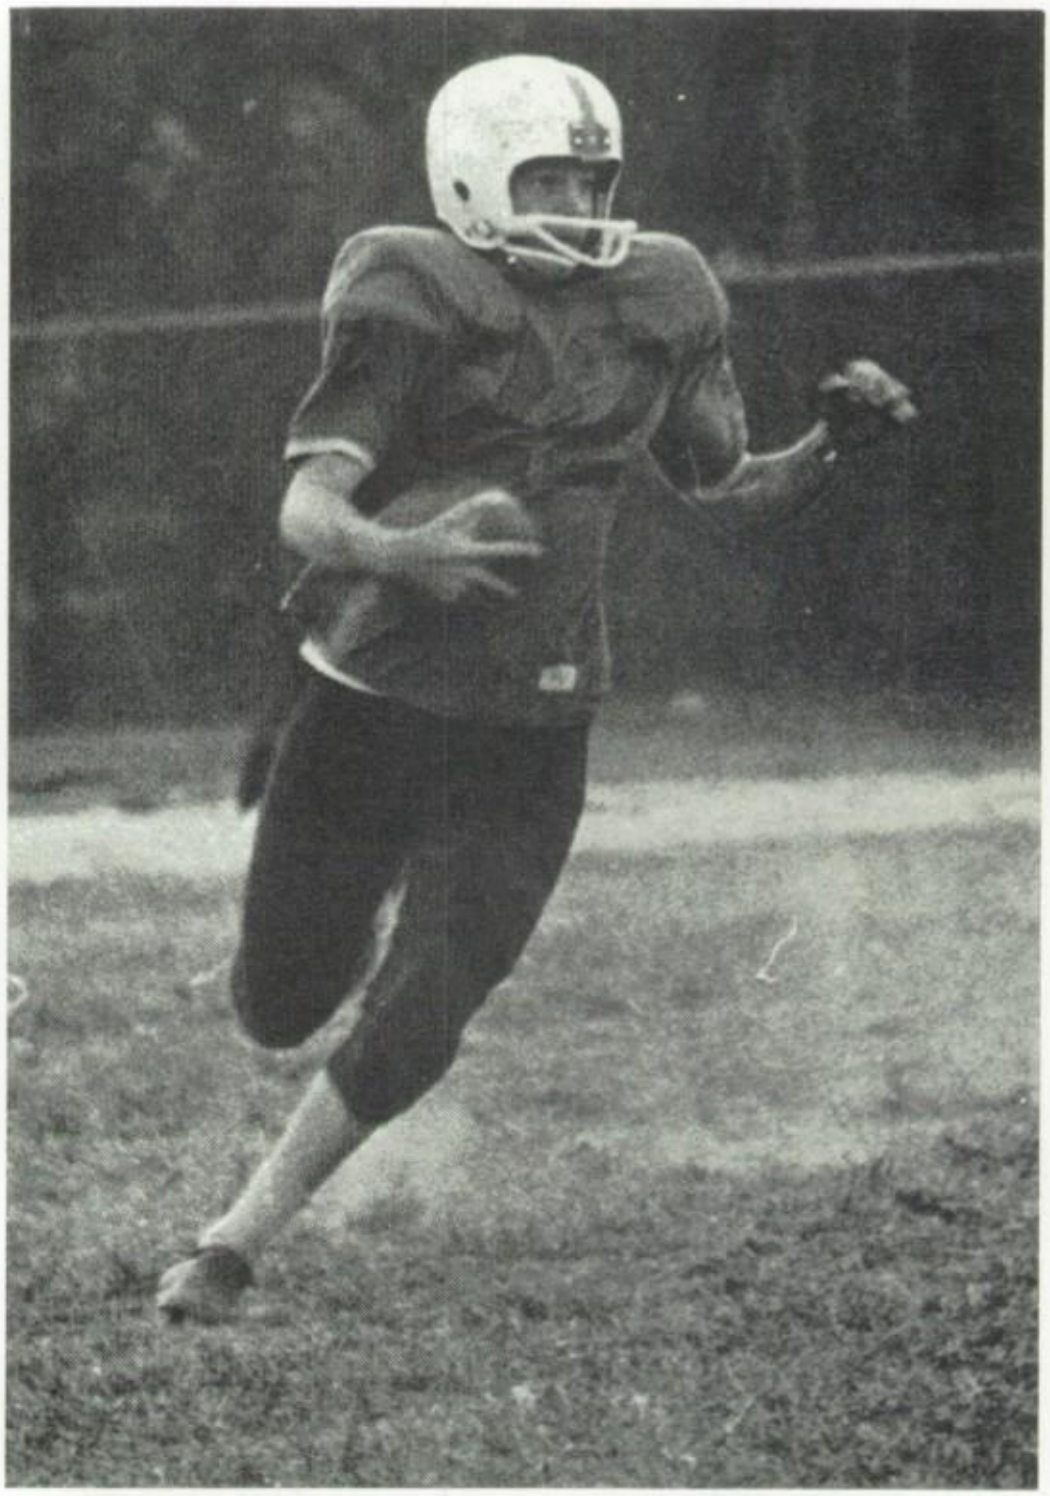
The Cradock Admirals displayed a strong passing attack as they defeated the Truckers, 18-6, in the final game of the year. A pass interception at the Churchland 39 set up the first Cradock score. Their next six points came on a 99 yard pass-lateral play. A 10 yard run in the fourth quarter accounted for their last score. Churchland's touchdown came on a one yard plunge by Jack Hanel in the last quarter as the result of a 44 yard drive. Fullback Robert Lawson was the Truckers' leading ground gainer.

APPEARING ELATED AT THE PLAY of the Truckers, managers Mike Norris and Mr. Lemasters and trainer Larry Whitehurst chat on the side of the field. Missing from the group is senior manager Blaine Hampton.

Individual Performances Mark Season Of Near Wins

Compiling a record of 0-6-2, the Jayvee Truckers actually played better than their record indicates. Only one touchdown made the difference in four of the losses. It should also be noted that eleven of these boys' classmates played on the varsity squad. Having coached a year of junior high football, Bob Walton led the team in his first year with JV football.

The Truckers lost a close game to arch-rival Wilson in the annual Apple Bowl. Steve Bristow won the trophy for the outstanding player of the game for Churchland. Other outstanding players throughout the year were backs Jeff Brown, Billy Staples, Alan Legrande, and linemen Frank Parks, Jimmy Jones, and Mike King.



TWO NORFOLK ACADEMY LINEMEN stumble over each other trying to catch shifty quarterback Billy Staples (26) who breaks away to throw a pass.

New Uniforms Follow Fads With Monogrammed Vests

ENTHUSIASM AND SCHOOL spirit are shown in the faces of the students as the cheerleaders give a special cheer for the team.

This school year proved to be a very active one for the cheerleaders. They began practicing two months before school started and in August attended the Tidewater Cheering Clinic where new cheers were learned. Throughout football and basketball season, hall signs and players' tags were made for almost every game. Much to the pleasure of the players, the cheerleaders gave surprise parties for the football and basketball teams. Also, they held a car wash, the proceeds from which went to buying new uniforms.

Apart from the school activities, they had twelve pajama parties after games and a watermelon feast. Churchland was represented in the Oyster Bowl parade by the cheerleaders who also attended the game later.

DRESSED IN THEIR NEW UNIforms, Judy Dennis, Beth Tew, Mac Doughtie, Ann Dowell and Stephanie Taylor lead the crowd in the "flea" cheer at the first basketball game of the year.

Following their election in September, the JV cheerleaders took an active role in the athletic scene at CHS. They led cheers at all JV football and basketball games and sold programs and cheered at home varsity football games. Many hours of practice after school went into learning and developing their cheers. Before each game, colorful hall signs were put up and players' tags and cupcakes were made for the players. Collecting money on the annual quiet day was another one of their duties.

Led by co-captains Judy Horner and Shelby Miltier, these cheerleaders contributed much to inspiring the teams with their enthusiasm and spirit.

Young Cross Country Team Acquires 5-3 Season Record

Returning state champion Wayne Hitchings paced the cross-country team to three consecutive victories at the beginning of the season. Good depth brought a 5-3 record and a fifth place in the district.

Lettermen Hitchings, Leonard Hillers, and Steve Otwell led the team whose indefatigable spirit offset its lack of experience. Veteran Coach Ken Burgess spurred the boys to "put out" to their peak capacity at each practice and assumed the often difficult job of transporting the team to and from meets.

Although most runners were from the freshmen and sophomore classes, the team placed fourteenth in the state. Co-captain Leonard Hillers summed up the season: "For our young team it was a great season."

WAYNE HITCHINGS LEADS the field against Great Bridge on the course at Frederick College in a dual meet.

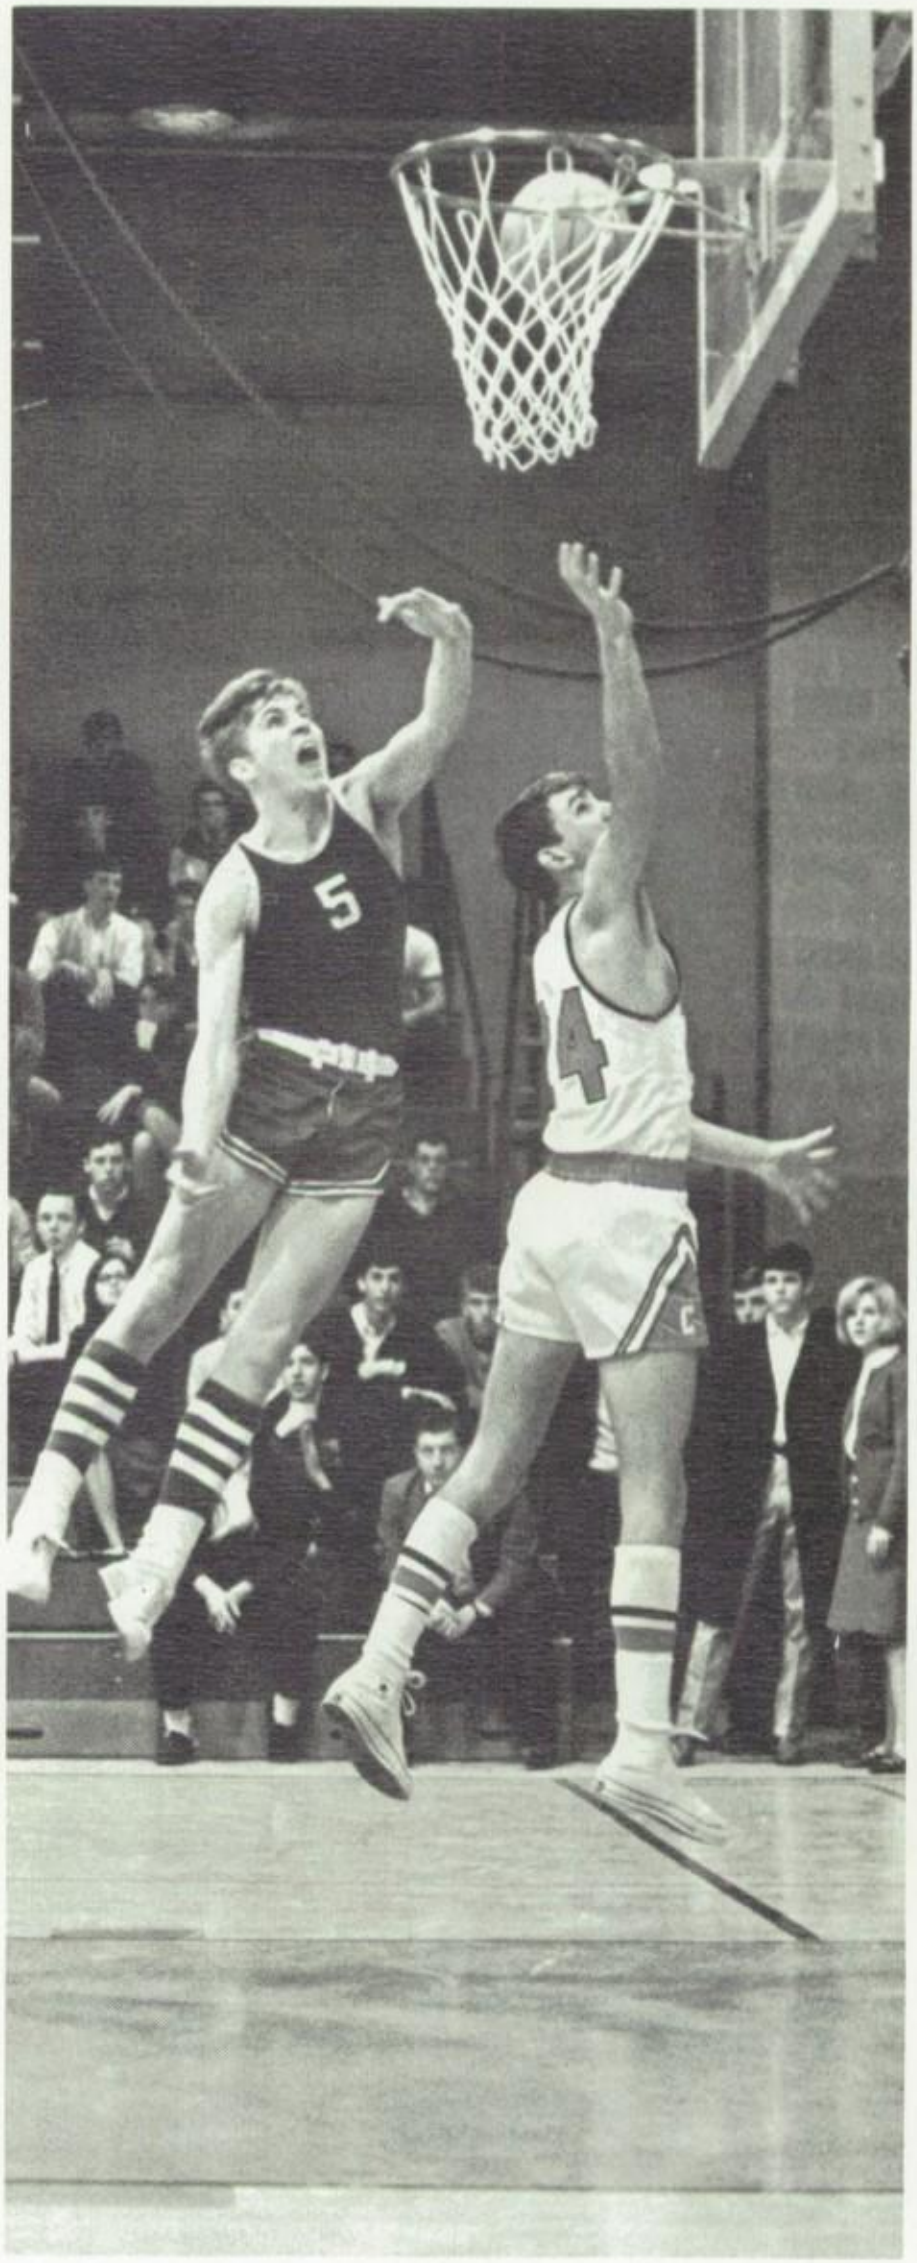
Bobby Glisson, Varsity High Scorer, Makes All-District

The '66 varsity basketball team really came alive in the second half of the season to find themselves in a three-way tie for eighth place. After defeating Great Bridge in an exciting double-overtime game in Wilson's gym, Churchland proceeded to defeat Oscar Smith and thereby gain the undisputed right to eighth place in the district.

After winning three games in one week to qualify for participation in the tournament, Churchland was barely edged out by Norview by a margin of three points.

Bobby Glisson, as Churchland's outstanding player of the year, ranked third in the district in scoring and fifth in the state, thus earning himself a position on the First All-Eastern district team.

IN THE CLOSING MINUTES of the Cox game, Coach Howard stands up to check the clock before offering last minute instructions to the team.



CO-CAPTAIN WAYNE HITCHINGS drives past the defense of Virginia Beach's Winslow Stillman (5) to tally an ease two points for the Truckers.

Team spirit and one-hundred per cent effort led the JV's to a 10-8 record in the highly competitive Eastern District. "This team did the best job they could possibly do," said Coach Bob Walton. "It was my most satisfying season yet."

Victories over Cox in overtime and Wilson on their home court highlighted the early part of the season. After ten games the team lost two of its players, Donnie Tuttle and Robbie Strickland, to the varsity team. More determined than ever, the team won six of its eight remaining games. In a season finale, behind thirteen points in the fourth quarter, they edged Great Bridge, 53-52.

Top players on this season's team were Andy Constantinides, Barry Katz, and Tom Weatherford, who led the team in scoring with a twenty-point average. Even with these players on the varsity next year, strong depth promises another successful JV season.

AS PATSY MOORE SETS up for the possible rebound, Jean Sly (28) scores with a set shot over the outstretched arm of a Norfolk Catholic defender.

Efficient team work overcame lack of experience and gave the girls' basketball team a 4-7 record. Patsy Moore, elected team captain, was the only starting senior. Underclassmen Betty Carroll Bell, Joan McRae, Nancy Venturini, and freshmen Jean Sly and Debbie Miller give this sport a bright future.

Enthusiasm was always high, and team spirit made up for a losing season. The second and third string teams went into action against Churchland Junior High and won both games played. A dinner at Nick's Restaurant in Yorktown after the Victorious Gloucester game was but one of the girls' activities as a team.

Determined Matmen Find Stiff Opposition In Every Foe

In a district dominated by several strong teams, the Churchland matmen found formidable opposition in every match; in turn they presented strong competition for all opponents. Practice sessions found the team engaged in intra-team matches and in constant exercises to develop strength. One of the highlights of these sessions that focused on building and maintaining aggressiveness was the sparring contests held among team members.

Individually, Ashley Butler was named Churchland's outstanding wrestler for winning third place in the district; this qualified him for the state tournament, at which he tied for fifth place.

Indoor Track Team Engages All Opponents At Frederick

Pant! Pant! Pant! was the tune of the CHS Indoor Track Team. Beginning early in December, the team began getting in shape for the season. Exercising to the count "one, two, one, two," Mr. Burgess soon had the boys looking like professionals as they worked on drills to help their agility and co-ordination. In a matter of weeks, they looked as if training were second nature.

Then came the season. The track meets were held at Frederick College, which had all of the necessary facilities. Although winning only 2 of their 5 meets, the team always offered stiff competition to all opponents and proudly represented Churchland High.

EASILY VAULTING THE BAR set at 10' 6", Russ Kirk scores important points for the team.

CHS Nine Boasts Lettermen Available At Every Position

"Don't rub it, rookie!" "Stay down on the ball!" "You've got to sacrifice to win!" These were sounds that could be heard from the baseball diamond on practically any afternoon. A determined, hustling team under the experienced coaching of Mr. Walton, who instilled within the players a winning attitude, represented the Truckers this year on the baseball diamond. A rebuilding year was in sight, but the team was not to be satisfied with merely a break-win season. The Churchland nine chose as their leaders tri-captains Hunter Roop, Johnny Ellis, and Larry Atwood, who led the 1965 American Legion District in batting. As an experienced team, returning lettermen played every position. Team balance, spirit, and "heads-up" baseball were the markings of a team that carried six seniors, six juniors, six sophomores, and four freshmen.

Record Holders Hitchings And Kirk Lead Track Team

Eager underclassmen and talented seniors Wayne Hitchings and Russ Kirk gave CHS a promising outlook in outdoor track. Kirk in the pole vault and Hitchings in the 880 yard and mile distances were the only returning school record holders. The season had many exciting moments as Hitchings, former district champion in both the 880 and mile, vied for first place honors at the state meet.

Spirited effort was the key factor in the success of CHS's rebuilding season. Beginning practice in February, many of the boys found that outdoor track was just a continuance on a larger scale of indoor track. As such, most of the team had had several months of training.

Dual meets with Maury, Norview, Princess Anne, Bayside, Oscar Smith, and Deep Creek and several group relays saw a host of veterans and newcomers competing in all events.

CHS Foursome "Burn Fairways Up" With Winning Golf

ZACK CLEMENT PUTTS IN a three-footer for an easy par in the season's first match. Lloyd Liebler, having finished his round, holds the flag.

Leaving school every day sixth period to get in practice rounds, the CHS golfers put in an untold number of hours of putting, chipping and driving at the Elizabeth Manor Golf and Country Club. Again coached by Mr. Howard, these experienced players vied among themselves and then competed in dual- and triple-team matches with the other schools in this area. Upholding the record of last year's state campionship team, Lloyd Liebler, James Cerza and newcomer Zack Clement led the boys as they took on all challengers.

A new rule this year barring individual participants and country club entrants made golf more of a team sport — a sport that now ranks as a major form of competition.

New Coach, Experience, Zeal Spur Green Court Men

A new coach, experience, and an enthusiastic group of boys marked the '66 season for Churchland's netmen. Beginning in February, Mr. Betts began the task of getting the team "into shape" and developing some of the fundamental skills of tennis. Ladder competition spurred intra-team spirit as the boys vied for the top six positions. Later, they elected Pres Edwards and Craig Smith co-captains, who helped to form a sturdy foundation for the team. Practice matches with Frederick College gave the newcomers experience before the first match with Wilson. CHS proved to be a strong competitor, and, as Mr. Betts said, "With most of the team returning, we're out to win."

Floats Showing "Great Moments In History" Focal Point Of Homecoming

Not until after the homecoming dance could the homecoming committee breathe its first sigh of relief. Since August, the tension had been mounting. For three months, the committee had been contacting alumni, making posters and planning halftime ceremonies and the dance. Friday, October 8, was the big night. The work was done, but last minute problems seemed endless.

With halftime, and the tension building, came the moment everyone had been waiting for. Sue Peake was crowned queen, attended by Marilyn Miller, her maid of honor. The first place ribbon was pinned on Connie Hemby Tri-Hi-Y's float, executing the theme, "Great Moments in History." The second and third places went to Webb Tri-Hi-Y and Truckers Hi-Y, respectively.

Rain began to fall, but luck was with Joanne Cross and Susan Mero, the homecoming chairmen. Halftime was over. Wet students piled into the cafeteria to dance to the music of the Swingin' Machine. At midnight, the homecoming crowd put aside the gaiety of the dance from their minds, and returned to normal Trucker life.

SUE PEAKE, HAVING been chosen 1965 Homecoming Queen by the student body, is crowned by Mr. Beck as he presents her with a dozen roses.

DWIGHT SMITH WATCHES closely as Janet Weatherford pins him in the 1965 Marshal Assembly.

SCA Upholds Rigid Academic Requirements For Marshals

When the twenty senior marshals seemed a little gloomy on October 28, it was only because they were about to give up their duties as official hosts and hostesses of CHS. During the assembly program that morning, twenty juniors were pinned as the new marshals for the oncoming year .

Throughout the school term, the marshals ushered at various functions in and around the school, such as the Senior Class Play, the Chorus Concert, and the commencement exercises.

Under the sponsorship of the SCA, the marshals represent CHS in the many activities which are attended by the community as a whole. The Council made high requirements in order that the marshals might be the best representatives of CHS. To be eligible, one must attain a "B" average, and be of good character. As a result, to become a marshal is one of the highest honors one can receive at Churchland.

GREETING THOSE ATTENDING the Senior Class Play, Leonard Sly, functioning for the first time as a CHS marshal, takes Cliff Yerby's ticket.

Theatrically Inclined Seniors Captivate

AT ONE of the after school rehearsals David Lawrence practices one of the many comic situations with Gail Forbes and Don Jones.

If the members of the Senior Class Play were nervous on the nights of December 2 and 3, the audience was not aware of it. The cast members had been rehearsing since early November in order to present an hilarious comedy, "January Thaw." Under the direction of Mr. Gwin and Joanne Cross, the student director, the play involved the claim by two families on the same house. The situation this presented caused the families to be at odds with one another. Due to a power failure in extremely cold weather, the two families were brought together and realized each one's dependence on the other.

"January Thaw" showed weeks of hard work and co-operation among the members of the senior class, and the result was one of the funniest plays shown at CHS.

The National Honor Society is an organization consisting of members who are chosen on the basis of scholarship, leadership, service and character. Each year 10 per cent of the upcoming senior class is tapped into the society, which is a service organization.

The CHS chapter of the Society worked throughout the year to raise money for a scholarship to be given to a graduating senior. The NHS sponsored a coat check at the many activities for which the school was host, including all the home basketball games. During the school term, the NHS also maintained a bulletin board as a service to the school. Students desiring outside help in academic subjects were offered a tutoring service by the members.

In April the NHS seniors tapped new members from the class of '67 to continue the goals for the following year.

MATT WILLIAMS, PUTTING a finishing touch on his creative work, displays the four purposes of the Honor Society.

Dayna Crowned Miss C; Wayne Titled As Mr. C.

Twenty-four excited contestants waited anxiously for the night of February 17, a night in which each would contend for the coveted title of "Miss Churchland."

Under the careful surveillance of the judges, the girls first modeled casual wear, then evening wear. The contestants were narrowed down to five; among such beauty this was a difficult task for the judges.

The moment soon came that everyone had been waiting for. Dayna Wyatt was selected as the 1966 "Miss Churchland," with Wayne Hitchings as "Mr. Churchland."

ALL SMILES and beaming with happiness, Dayna Wyatt receives the crown and title of "Miss Churchland" from last year's winner, Delores Elliot.

NERVOUSLY WAITING to be called forward by Mr. VanCantfort, the five finalists wonder what questions they will have to answer from the bowl Lisa Witt holds.

CONRAD STRICKLAND, first runner-up in the "Mr. Churchland" contest, applauds the selection of Kaye Keith, who has just won second place in the pageant.

BEING CHOSEN "MR. CHURCHLAND" could make anybody nervous, but Wayne Hitchings keeps his composure as Delores pins him with a white carnation for the honor.

ACTING AS JUDGES, Mr. Ed Oast, Mr. Jim Waters, and Mrs. Jean Shackelford try to reach a decision on who will be "Miss Churchland."

Class Of '69 Becomes Part Of CHS Traditions

"THEY CALL THIS TRADITION?" cogitates perplexed Denny Hollowell as he shows Freshman "ability" by emptying Seniors' trays as part of initiation.

to 316 awe-struck freshmen, the Davids among Goliaths, the first days at CHS brought . . . excitement and fear . . . orientation and the first assembly . . . struggles to locate classes . . . eagerness to become good Truckers . . . the thrill of the first pep rally and football game.

as the year progressed, the new class began to "fit into" CHS by . . . joining clubs . . . playing on jayvee teams . . . attending assemblies and plays . . . doing science projects . . . planning and working on the freshman-sophomore prom.

by the end of the year . . . the freshmen had become a real part of CHS . . . its activities . . . its spirit . . . its traditions . . . its expressions.

Dear Jim - Rock,

Best wishes to a "cool cat." Keep practicing on those drums and one day you will be as great as me (just joking). Good luck to your band this summer. Y'all get better every time I hear you. See you next year as a mighty Senior.

Ken Lewis

Jim,

Best of luck in your future years at C.H.S. I don't have to wish you luck because I know you'll succeed in everything you do. Don't forget our discussions about "you know who". See ya next year.

Diane Spivey

Merci . . . Gracias . . . Grazie . . . Danke . . . Gratias vobis agimus . . . in any language we simply mean to say "thank you" . . . to the administration and faculty for their infinite patience, understanding, and help . . . to our photographers Jim Saine, Dick Bruckse, and Lonnie Johnson . . . to Mr. John Perry of Hunter Publishing Company . . . to Smith and Welton's for senior portraits . . . to our gracious advertisers . . . to the entire student body . . . to the tireless staff of this book . . . to all who in any way helped make this the best **Trucker** ever . . . and especially To Mr. Moore, our advisor

Yo Big Jim,
Best of luck always to
the coolest guy in the world
(cept for me of course!) Have
fun this Summer and don't
forget Niemyer or Mancuso or
Jotting. It's alright to try though.
Steve Below
"67"

Kristie,
To one of
the greatest guys
I know. Brain +
Have a fun summer and
Will see you next year.
Bruce Harris

Jim,
You are one sharp
boy and I know you're
going to have a great time
next year. Senior year really
is great. Here's hoping the
best of everything to a great
boy. Please don't forget me!
And I'll never forget you,
especially what with you
getting Marshal, Hon. Society
and all. Love ya
Susan Davenport

Jim,
Best of luck always to a great
sharp guy with a great personality.
Never forget the great times we've had this year in Latting & Class. Have fun this summer & I'll see ya next yeat.
Maud Mendall

Jim,
Best of luck to a
real neat guy!
Never forget all the
things we didn't learn
in French this year!
Have a neat summer
& I'll see ya next year
when we're SENIORS!
Jacqueline Higgins

Jim,
I never knew
you until this year,
but I think you are
one of the sharpest boys
at CHS. I hope you never
forget Miss Gibbs and her
wonderful library. Best of
luck in everything, you
certainly deserve it. Never
forget me or the Class of '66.
Love,
Janet

Jim,
Lots of luck to
a real sweet boy.
Its been fun getting
to know you this year.
Lots of luck in your
"Senior" year, and thanks
for letting me ride to
school with you. Love ya!..
Bonnie S.
"66"

Jim,
It's been a great year, especially
in History (well it's been a year). Mr.
Mancuso is my true inspiration, even
though at times I didn't show it. Hope
to have some more classes next year
together. Lots of luck.
James Reniche

Jim,
I was going to say "Best wishes
but I think it would be better to
say "may you never run into another
"Nemesis"!! Remember those great
experiments.
Barry
(Mr. Music)

Jim,
It's been a wonderful year & I
will always remember this year as
a real swinging group of
seniors. Hope we all have
best of luck in everything
I wish you all attain
from your good friend
and fellow
"a" card carrying
SENIORS: always
Love ya
Karen

Jim, alias Jack,
you're a remarkable
fellow and I'm sure glad.
I'm so glad I got to know you
this year and last year and the
year before!! You'll miss me
when I'm gone you know! Best
of luck in all you do and
success always to one boy who
deserves THE BEST! - Got it!
Be good as a senior and
this summer, too!
Think of me,
Lots of Luck,
Friends,
Susan Rowe

To my tall brother & friend,
In the years which lies ahead me

Gina,

It's really been a great year hasn't it. I can't believe a couple of weeks will be the last time we'll be SENIORS! Then next thing you know we'll be getting our annuals for the last time. I hope everything in life turns out well for you and I have really enjoyed being with you and talking to you this year. How do any of us have gotten through Mrs. Hall's class without you? And we can't forget your "essay" it has really been fun. Be good and have fun this summer.

Love,
Tina

Jim,

Knowing you these
PAST FEW YEARS has
been quite AN EXPERIENCE.
STAY the SAME AS you
ARE AND you'RE bound
to go FAR in LIFE.
BE good this SUMMER
if you CAN. SEE you
NEXT YEAR when
WE'RE GREAT SENIORS

SEE Ya

Tommy L.

Jim,
Best of luck to a real sharp guy in all you strive to do in the future. Keep your personality and I'm sure you'll go far. Good luck senior next year.
See you this summer.

Conrad Strickland

Jim,
Best of luck to a real sharp guy with a great personality. Have a real swingin' summer - behave yourself (if possible)
Love 'ya,
Johnette Wyatt

Jim,
always
remember the
fun we've had this
year. How can you forget!
Thanks for helping me through
French. It was rough. Stay cool!
Come see me.

Lucy

James
Best of luck in all
that you do. Keep
studying that History
and I hope the Knights
reach the top!!

New York

Jim,

Best of wishes to one of the
nicest & sweetish boys at CHS.
Always keep that great personality
& that winning smile. Be good
this summer & come see me!

Love ya,
Linda Y.
"67"

Jim!
Good luck
to a great guy. I know
your easy going qualities will
carry you far in life - Please
don't lose them. I'm glad for all
your accomplishment - I know
there is more in store. Good luck
again -

Love ya!
Diane

Jim,
Best of luck always to
one of the nicest guys
I know. Always
remember our great (?)
English class and the
arguments. ~~Had~~ Have
a fun summer and
I'll see you next year.

Love ya,
Janet B.
